

## A Most Important Room

With every fixture fastened permanently in its position, the Bath room, once completed, becomes a part of the house. It should therefore be carefully planned and equipped with fixtures which will retain their beauty and efficiency for an age.

The fixtures we use are reliable and the work guaranteed. Ask for an estimate of installing.

## GERMAN WORKMEN DECLARE IN FAVOR OF PEACE BY COMPROMISE

AMSTERDAM, July 27.—According to the Berlin Vorwaerts, a resolution has been unanimously passed at a conference of the free trades unions of Germany, recording satisfaction that the Reichstag on July 19 in the name of the German nation, voted peace by compromise. The resolution also declared that the workers of Germany are willing and determined to hasten the end of the war on that basis.

## M'DONALD WON FROM WILSON

Halifax, July 29. — Roddie McDonald of Sydney, was given the decision over Johnny Wilson of Bayonne, N. J., in a 15-round boxing bout at the Arena Saturday night. McDonald had the advantage in weight and he was the aggressor throughout.

The decision of the referee met with general approval as McDonald had the best of his opponent in ten out of the fifteen rounds.

The Russian Commission to the United States has several women among its members.

## A RECORD AT PHILADELPHIA

Philadelphia, July 26. — A world's record for receipts for a six-round bout—\$35,078—and a record crowd of more than 12,000 for a boxing match in Philadelphia are the happy sides of the Leonard-Kilbane fight here the other night. Of the 12,753 paid admissions there 3,285 at \$1; 2,353 at \$2; 4,244 at \$3 and 2,871 at \$5. Each boxer's share was \$11,692.66.

"Benny Leonard is the greatest fighter I ever fought. Good luck to him; he deserves it. I have no alibi to offer." So runs Johnny Kilbane's morning-after view of his decisive beating.

"I have nothing to say as to a return match with Leonard," he added. "I have nothing to say as to the future. I will rest for a few weeks, then start to outline my plans for the future." Says Benny: "When I hit Kilbane with a right cross in the second, I felt confident I would score a knockout." Women school teachers in Ireland receive the same pay as men for the same kind of work.

## Enemies of Tea

If tea is left open near oranges, soap, spices, matches, etc., the tea will take on the flavor of any of these articles.

In fact, tea absorbs odors as readily as does butter. This is because it becomes so dry and brittle in passing through the firing or drying oven that it becomes very sensitive to the moisture and odors in the air.

When loose in the chest or bin or bag it quickly loses flavor and strength. Tastes flat, weak, old; dear at any price.

This is why Red Rose is never sold in bulk—but always in sealed packages. The armour that keeps our dust and odors and keeps in the flavor and strength.

The price printed on the package protects you against overcharge. It is the lowest price for which a tea of Red Rose quality can be sold—a price which allows the grocer only a fair profit.

You will enjoy the distinctive flavor and rich strength of Red Rose Tea. Try a package.

## THE CANADA TEMPERANCE ACT

The policy of the Dominion Alliance is to encourage the repeal of the Canada Temperance Act (Scott Act) in counties in which it has been operating. Where this is done the new Provincial Prohibitory Law would then become effective. It is always easier to enforce one uniform law. The New Brunswick Government cannot put its new law in effect in Scott Act counties, as the latter is Dominion legislation, which has precedence over provincial legislation. Friends of temperance who live in Scott Act counties are, however, asked to co-operate in the more thorough enforcement of that Act so long as it continues in operation.

The summit of the hill at last has been won after countless futile charges. Shouts of jubilation proclaim victory. The last German has fled. Flushed with success, the soldiers' caps are flung high in the air, but the old veteran captain shouts, "Off with your tunics, boys, and dig in for your lives! The victory is yet not ours—this summit must be *held!*"

For half a century the people of New Brunswick have fought the Demon Rum for possession of the province. The summit of the last commanding position is won. The Prohibition Law in New Brunswick was finally consummated when it went into effect May 1st, 1917. Let us not shout "Victory" too fervently. We have won only the *means* to a final Victory—the power to *enforce* province-wide freedom from the Traffic. The real fight is yet to come.

Are we going to leave to a few zealous and sincere officials the whole brunt of the fight? Or, shall we let them know that they have behind them, in their duty of enforcing the New Prohibition Act, a whole province full of reserve power and vigilant enthusiasm that will help and encourage them to consolidate this glorious heritage of Prohibition for ever!

## Help to Enforce Prohibition

Licensing of the liquor traffic has had a fair trial for many years. Within a comparatively brief period New Brunswick must vote again and decide for or against a permanent Prohibitory law. In the meantime, the Prohibition law must demonstrate its worth beyond doubt. Brief though the testing time may be, we believe the people will, by their hearty and sincere co-operation, make the result *decisive*. Never again in New Brunswick shall the enemy gain a foothold!

Every man and woman in this province shares the responsibility for the proper enforcement of Prohibition—not the officers of the law alone. *Your* duty is clear.

No matter where you live, whether the Canada Temperance Act or the new Prohibitory Law operates in your district, you are urged to use every legitimate means within your power to heartily support and aid the officers in their sworn duty of enforcing the law.
