

CANADIANS AT THE FRONT IN CLOSE CO-OPERATION

Ottawa, Oct. 2. — The close co-operation of all branches of the Canadian corps, is the general order to Brigadier General E. W. B. Morrison, D. S. O., general officer commanding Royal Artillery Canadian Corps, from Lieut. General A. W. Currie, commanding, a copy of which has been received in Ottawa. The order which follows, has been handed to the troops under his command, which consist of the 1st, 2nd, 3rd and 4th Canadian Divisional Artillery, the Canadian Corps Heavy Artillery and the 26th Heavy Artillery group, by Brigadier General Morrison, in the following order:

The following communication has been received by the general officer commanding Canadian corps:

"I would like if you would convey to the gunners under your command my sincere appreciation of their splendid work in our recent and most successful operations."

"The assaulting infantry maintain that the artillery preparation has never been more complete, that the support has never been better, and that the liaison has never been so nearly perfect."

Quickly Answered.

"I am assured by them that S.O.S.

calls were repeatedly answered within thirty seconds. This indicates a discipline and vigilance most commendable.

"I also learn that on occasions when the batteries were being heavily gassed, gunners discarded their masks in order to better serve their guns for whose help the infantry were struggling. This indicates especially close co-operation of the very highest quality. F.O.O.'s signallers and runners did extremely well."

"Success must ever be ours when the co-operation between all services is so marked and when the devotion to duty is so outstanding. I desire to cordially congratulate all concerned."

(Sgd) "A. W. CURRIE,
"Lt. Gen. Com. Can. Forces."

In conveying to all ranks the above commendation by the corps commander I desire to add my congratulations on the success of the operations, and my appreciation of the excellent work done by all units in the artillery preparation, the support attacks, and the notably effective manner in which the units counter attacked.

(Sgd) E. W. MORRISON,
Brig. Gen. G. O. C., R. A.
Canadian Corps.

PEACE AND FREEDOM OF THE WORLD MUST BE ASSURED

(By Canadian Press direct wire.)

London, Oct. 2. — In discussing the entry of the United States into the war, Viscount Grey, former foreign secretary, in a reference to a collection of war statements by President Wilson, published in a pamphlet, declares it is now clear that the military and naval staff of German arms in Europe could not secure a German peace. Viscount Grey's remarks are printed by the Daily News.

"Germany," he says, "cannot get peace except on conditions that the United States might consider essential to the peace and freedom of the world. It is impossible to get around this fact and it is not surprising that Germany dare not face it and turns her back upon it that she may not face it, for that is what the organization's silence and contempt in Germany of the action of the United States really means."

Peace Demonstrations.

Copenhagen, Oct. 2. — A demonstration in favor of a peace without annexations was held on Sunday at Frankfurt-on-the-Main. Leaders in the clerical, radical and socialist parties were in the demonstration. The crowd numbered forty or fifty thousand and addresses were made from six different platforms simultaneously.

Want No German Peace.

London, Oct. 2. — Joseph Havelock Wilson, general secretary of the National Seaman's Union, in a speech at

Middlesborough last night declared that all want peace, "but we're not going to have a German peace. It has been said that it is impossible to have a military autocracy. Well, if we cannot win with such a great weight as that of the United States we do not deserve to win."

Mr. Wilson said that if he could have his way and the seamen ask him, "we will deliberately punish the Germans for the crimes they have committed." He enjoined all the seamen "to keep the flag at the masthead, never to surrender and to go straight on with the determination that we are going to win and bring about peace on satisfactory lines." The speaker declared that some pacifists "who love every country but their own," would make believe that Great Britain was as guilty in this war as the Germans. "I can only describe them," he said, "as very foolish men."

"FRUIT-A-TIVES" Brought The Joy Of
Health After Two Years' Suffering

MADAM LAPLANTE,
35 St. Rose St., Montreal. April 4th.
"For over two years I was sick and miserable. I suffered from constant Headaches, and had Palpitation of the Heart so badly that I feared I would die. There seemed to be a lump in my stomach and the Constipation was dreadful. I suffered from Pain in the Back and Kidney Disease."

I was treated by a physician for a year and a half and he did me no good at all. I tried "Fruit-a-tives" as a last resort. After using three boxes, I was greatly improved and twelve boxes made me well. Now I can work all day and there are no Headaches, no Palpitation, no Heart Trouble, no Constipation, no Pain or Kidney Trouble and I feel like a new being—and it was "Fruit-a-tives" that gave me back my health."
