MOTHER! DON'T TAKE CHANCES IF CHILD'S TONGUE IS COATED

If cross, feverish, sick, bilious, clean little liver and bowels.

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish, stomach sour.

Look at the tongue, Mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily full of cold or has sore throat of any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all the constipated poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company."

REVENUE IS INCREASING

Ottawa, Oct. 5. — The revenue of the Dominion for the first six months of the fiscal year ending September 30, as shown by the September financial statement issued by the department of finance was \$127,477,904 as compared with \$103,589,680 during the same period last year, an increase of nearly \$24,000,000, a decrease of almost half a million as compared with last year. Capital expenditure including war account, totalled \$95,144,093, as compared with \$116,057,905 for the six months' period in 1916. The debt of the Dominion is now \$901,000,501, an increase of \$36,865,910.

WEAK BOYS AND GIRLS

It is a mistake to think that anaemia is only a girl's complaint. Girls probably show the effect of weak, watery blood more plainly than boys. Delayed development, pale faces, headaches, palpitation, and a feeling of listlessness, call attention to weak blood in the case of girls. But many boys in their teens grow thin and "weedy" and have pimples on the face showing that they have not enough blood. The anaemic boy is just as likely to become a victim of consumption as the pale, breathless girl with her headaches and worn-out look. Let the boy in this condition catch cold and he will lose his strength and his health becomes precarious.

To prevent serious disaster to those of the rising generation, let both boys and girls be given the new rich blood which Dr. Williams' Pink Pills are famous the world over for making. When giving these pills watch how soon the appetite returns and how the languid girl or the weak boy becomes full of activity and high spirits. Remember that the boy has to develop too, if he is to make a strong, hearty man. Give both the boy and girl a fair chance to develop strongly through the new, rich blood Dr. Williams' Pink Pills actually make. You will then see active boys and girls, instead of weakly children around you.

Dr. Williams' Pink Pills are sold by all medicine dealers or may be obtained by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

CHINA IS NOW SHOWING A NEW SPIRIT

Students in America Say That the Nation's Primary Desire Now is to Learn to Build.

Chicago, Oct. 4. — Mme. A. S. K. Sze sat patient and immobile in the waiting room, her expressionless and symmetrical face staring placidly at the confusion about her. Mme. Sze looked like some strange idol upon which a whimsical minded tailor had hung the habiliments of the Boul Mich.

About her rose the sing-song, monotonous and staccato voices of seventy-two Chinese students, communicating eagerly with each other and champing to be off on a tour of inspection of the city.

Mme. Sze remained aloof from them, and continued to stare with an uninterrupted gentleness at nothing. She is the wife of the ambassador to the Court of St. James. This was one of the stops on the way from Shanghai to London.

Beside Mme. Sze sat Mme. V. T. Hoo the wife of the ambassador to Paris. An effort to interview them resulted as follows:

Chinese Women "Growing Up." "Will you say something about the women of China and what progress is being made by the sex in politics, love and economics?"

Mme. Sze raised her black eyes and her teeth appeared in a smile. She spoke in odd English.

"China," she said — "the women of China, she growing up."

"And how does the war rest upon the Chinese?"

"The war," she said, "it is far away yet from China."

After this Mme. Sze contented herself with smiling upon questioners.

Among the 72 Chinese boys fifty of them were "indemnity students," financed by the indemnities paid following the Boxer revolution. The others were from private schools. They were all agile, clean looking, bright eyed and eager.

Another case that may interest the psychical researcher. The Hillsboro, Ill., Journal reports: "It is said that Mrs. Barber completely exonerated her husband in a post mortem statement."

The attention of the psychical researchers is directed to the case of a lady in Whitehall, Mich., whose post-mortem card of thanks appears in the Forum, of that city:

"I wish to thank the neighbors and friends for their kindness in helping this sterling remedy on the market, with my housework during my last illness."

DYSENTERY IS DANGEROUS

Dysentery is one of the worst forms of bowel complaint. It comes on so suddenly, the pains in the bowels become intense, the discharges occur with great rapidity, and are very often accompanied by blood, and the action on the system so weakening that its termination often proves fatal.

When the bowels get loosened up in this way, and you wish to check the unnatural discharge without bringing on constipation, there is only one remedy to use, and that is Dr. Fowler's Extract of Wild Strawberry.

This remedy is not an experiment as it has been used in thousands of Canadian homes during the past 72 years.

Mrs. Albert Fearon, Bryant's Corner, N. B., writes: "I have used Dr. Fowler's Extract of Wild Strawberry for the past ten years, and I would not be without it in the house."

Last fall my little boy, three years old, took very bad with dysentery. After taking 3 or 4 doses of "Dr. Fowler's" he began to improve, and before he had used all the bottle he was entirely cured. I sincerely recommend it to all."

There are many cheap imitations of this sterling remedy on the market. Ask for Dr. Fowler's and see that you get the genuine when you ask for it. Price 35c. Put up only by The T. M. L. Co., Limited, Toronto, Ont.
