

WILL INDICT MANAGER OF WM. DAVIES CO.

Ottawa, Oct. 5.—The Evening Citizen says:

W. F. O'Connor, cost of living commissioner of the Labor Department, stated this morning that he had secured permission from the Attorney General of Ontario to indict E. C. Fox, of the William Davies Company, of Toronto, for failure to supply certain information requested by the department.

"I was in Toronto yesterday," said Mr. O'Connor, "and while there I secured the permission required. These people are not to be treated as a law to themselves."

Edward Carry Fox is general manager of the William Davies Company. His evidence in the bacon inquiry at Toronto the other day was very interesting.

Not Quite Correct.

Toronto, Oct. 5.—Deputy Attorney General J. R. Cartwright, when asked this afternoon regarding the truth of the report from Ottawa that W. F. O'Connor, cost of living commissioner, had obtained permission to indict Manager T. C. Fox, of the William Davies Company, stated that the statement was "incorrect," but he would not go so far as to say it was "untrue." The report from Ottawa stated that permission had been obtained to indict Mr. Fox for failure to supply certain information desired by the department.

Hon. I. P. Lucas, attorney general, is out of the city, and could not be seen in regard to the matter.

Premier Hearst, when interviewed today, stated that Mr. O'Connor had not been given permission to indict Mr. Fox.

AUTOINTOXICATION OR SELF-POISONING

The Dangerous Condition
Which Produces Many Well
Known Diseases.

HOW TO GUARD AGAINST THIS TROUBLE

"FRUIT-A-TIVES" — The Wonderful
Fruit Medicine — will Protect You

Autointoxication means self-poisoning, caused by continuous or partial constipation, or insufficient action of the bowels.

Instead of the refuse matter passing daily from the body, it is absorbed by the blood. As a result, the Kidneys and Skin are overworked, in their efforts to rid the blood of this poisoning.

Poisoning of the blood in this way often causes Indigestion, Loss of Appetite and Disturbed Stomach. It may produce Headaches and Sleeplessness. It may irritate the Kidneys and bring on Pain in the Back, Rheumatism, Gout, and Rheumatic Pains. It is the chief cause of Eczema — and keeps the whole system unhealthy by the constant absorption into the blood of this refuse matter.

"Fruit-a-tives" will always cure Auto-intoxication or self-poisoning — as "Fruit-a-tives" acts gently on bowels, kidneys and skin, strengthens the bowels and tones up the nervous system.

50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

ATHLETES PAY THE GREAT PRICE

London, Oct. 4. — The famous footballer, Major M. M. Morgan-Owen, Essex Regiment and Rifle Brigade, who played for Wales, Oxford University and the Corinthians, is officially reported wounded.

Lieut. W. E. Sandys, R.F.C., who won his colors for rowing and swimming at St. Paul's School, has been killed in action.

It is reported that Lieut. J. G. White, R.F.C., is missing. He was a member of the Edinburgh Academy cricket team in 1914 and 1915 and the sports master spoke of him as "the finest wicket-keeper schoolboy cricket had produced for many years."

Lieut. A. P. Baker, Highland L.I., killed on August 22, was educated at George Watson's College and Edinburgh University, and was well known as a cross-country runner, obtaining international honors. He was also a gold medalist in the Exhibition Marathon of 1908, and a prize winner at all distances on the track. He frequently played for the first XV. of the Watsonian Football club.

Capt. A. E. Jones of Romford, who has died from wounds received in action in France, has played football for Essex, Romford Town, Ilford, Luton and other local clubs.

Lieut. A. J. L. O'Beirne, Yeomanry, attached R.F.C., who has died from wounds, was a member of the cricket XI. at Radley College, and later was whip to the Exeter College, Oxford, Beagles.

QUEBEC FOR PROHIBITION

(Canadian Press direct wire.)

Quebec, Oct. 5. — One of the leading anti-prohibitionist organizations in Quebec city stated today that the result of the referendum held in Quebec city yesterday will be contested before the citizens presumably on the result of influence in favor of prohibition.

One fact seems certain, whatever steps are taken to annul the proceedings, saloons of Quebec will keep licenses assuredly until May next and probably for another year after that, through the licenses being granted on the first day of May and the Scott Act coming into effect on then 15th of May; and as the Scott Act does not abolish licenses existing when it comes into force, all licenses renewed before the first of May next may have a chance to last till the first of May following, which would be in 1919. The exact majority of the prohibition victory reported today is 3,251, less six polls from Limouliou ward yet to be heard from.

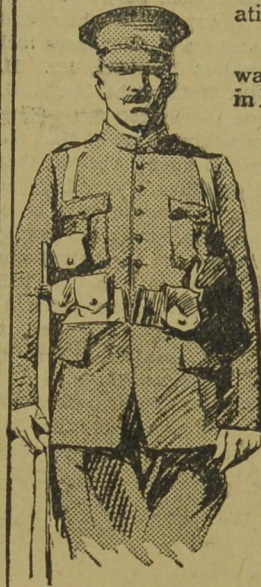

SEA RAIDERS IN SOUTH PACIFIC

Washington, Oct. 5. — With definite information of the presence of two German sea raiders in the South Pacific ocean announced in despatches from Samoa to the navy department, a hunt for commerce destroyers has been set in motion.

The two raiders are manned by the crew of the famous Sea Adler which made her way last year from Germany through the Allied patrol into the Atlantic, southwest around South America, preying on shipping, and thence to the South Pacific, was stranded on Mopena island, and had to be abandoned.

Pay Will Be The Same

Men selected under the Military Service Act will receive the same pay as those now on active service receive. Pay will start from the time a man reports for duty. Money from the Patriotic Fund and Separation Allowance will also be available for selected men.

Canadian soldiers are well paid. The fact that wages in Canada are generally higher than those paid in Europe is recognized in the system of remuneration for men on active service. Clothing and all equipment in addition to food is also supplied to the Canadian soldier, leaving him with no expense except personal incidentals.

The rate of pay for men in the Canadian Expeditionary Force, other than commissioned officers, is as follows:

	Pay \$2.00	Field Allowance 30 cts.
Warrant Officers		
Regimental Sergt-Major, if not a Warrant Officer	1.85	20 "
Quartermaster-Sergeants	1.80	20 "
Orderly Room Clerks	1.50	20 "
Orderly Room Sergeants	1.50	20 "
Pay Sergeants	1.50	20 "
Squad, Batt., or Co. Sergt-Major	1.60	20 "
Colour-Sergeant or Staff-Sergeant	1.60	20 "
Squad, Batt., or Co. Q.M.S.	1.50	20 "
Sergeants	1.35	15 "
Lance-Sergeants	1.15	15 "
Corporals	1.10	10 "
Lance-Corporals	1.05	10 "
Bombardiers, or Second Corporals	1.05	10 "
Trumpeters, Buglers, and Drummers	1.00	10 "
Privates, Gunners, Drivers	1.00	10 "
Sappers, Batmen, etc.	1.00	10 "

As in the case of those already gone overseas, Separation Allowances will be available for those dependent for livelihood upon selected men. The Separation Allowance is \$20.00 per month for the rank and file, \$25.00 for sergeants and staff-sergeants and \$30.00 for warrant officers. The experience is that many men can afford to assign half their pay to dependents, in addition.

A considerable number of men who have enlisted in the Canadian forces have found themselves better off under the army rate of pay, which is granted in addition to board, lodging, clothing, equipment, transportation, etc., than they were while in civilian positions. Their wants are provided for, and they receive a steady addition to the bank account each month.

Issued by
The Military Service Council.
