OF INTEREST TO WOMEN

HOW OFTEN DO YOU SHAMPOO?

There is no longer any necessity for loading the hair with braids, rats, puffs and curls. The fashions today are so simple that the woman who has only a small crop of hair can easily dress it well. In dressing your hair consider the shape of your face. The back of the head is of importance, but the frame made by the hair must be becoming to the face. Women of severely classic features and fine brows can wear the hair brushed straight back from the forehead and coiled at the back of the head or at the nape of the neck.

Simple hairdressing necessitates cleaner hair, therefore healthier hair. The hair must be thoroughly every week or two, especially if one exercises much. Some women boast of washing their hair

but once in six weeks. Imagine the scalp, with its myriads of oil glands and its heavy growth of hair to retain the dust, being bathed only once in that long period.

THE MODERN BLOUSE.

The modern blouse of dark color is two things—a smart and pretty blouse and part of a complete costume. Selected to match the collar of the tailored suit, it constitutes with the belt thereof a correct frock for informal wear, yet smart enough for afternoon appearance if necessary. One such blouse is of navy blue Georgette, matching a suit of dark blue serge. Silk stitching in pale gray, used as a trimming motif, is echoed by gray and blue embroidered bands outlining the vest of tucked white Georgette.

THE FINISH

He went through school when quite a Boy,
And then he went through college;
Hethen went through a business course,
In search of worldly knowledge,

He went through law school with a rush,
He went through all that follows;
And now we learn he's just gone through
Some sixty thousand dollars.

WATER CURE.

A Swedish farmer, who lived on his wheat farm in Minnesota, was taken ill, and his wife telephoned the doctor.

"If you have a thermometer," answered the physician, "take his temperature. I will be out and see him presently."

An hour or so later, when the doctor drove up, the woman met him at the door.

"How is he?" asked the doctor.

"Well," said she, "I have put the thermometer on like you tell me, and it says, 'very dry,' so I give him pitcher of water to drink, and now he has gone back to work."

NO WONDER.

"And how long were you in your last place?" asked Mrs. Goxley, as the most plain of applicants for the situation appeared before her.

"Well, mum, replied the girl, "to tell the truth, I was no sooner in than I was out again!"

"How Extraordinary! Can you account for it?"

"No, mum, unless it is that I am good looking—not that I say I am, but the lady says to me, 'Your master has a liking for pretty faces and is a good judge of beauty.'"

"I shouldn't think that was the reason. Come, tell me, did nothing else happen?"

"Not another thing, I just looked at her and said that from what I could see of things her husband had made at least one mistake. When I came to my senses I was lying at foot of the steps with my box on top of me."

GIRLS! DRW A MOIST CLOTH THROUGH HAIR, DOUBLE ITS BEAUTY

Try This! Hair Gets Thick, Glossy, Wavy and Beautiful at Once.

Immediate? Yes! Certain? That's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; it cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use when you see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it, surely get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter and just try it.

Suffered From Severe Headaches FOR TWO YEARS

Headaches are many and varying; but when the head starts to ache you may be sure there is some chief cause. The stomach may go wrong, the bowels become constipated, the blood may not circulate properly, but the presence of the headache clearly shows that unless the cause is removed some other baneful disease is liable to assert itself.

Burdock Blood Bitters has, for the past forty years, been curing all kinds of headaches and has proved itself to be a remedy that cures where others fail.

Mr. I. N. Petershen, Dnieper, Man., writes: "I am only too glad to be able to state that I derived wonderful benefit from Burdock Blood Bitters. I suffered from severe headaches for two years. I was treated by several doctors, but received no benefit until by chance I heard of B.B.B., and I at once procured two bottles and in a short time I was completely cured. I am, and always will be, grateful for what Burdock Blood Bitters has done for me. I am glad to recommend it to all who suffer from headaches."

B.B.B. is the oldest and best known blood medicine on the market today, having been manufactured for the past forty years by The T. Milburn Co., Limited, Toronto, Ont.

THAW GETTING WELL SLOWLY.

Philadelphia, Jan. 25.—Harry K. Thaw, who is a patient in a hospital here suffering from self-inflicted injuries, is making progress towards recovery, but it will be at least two weeks before he will be able to leave the hospital, his physicians said today.
