

PARCELS TO SOLDIERS

should always contain a few boxes of Zam-Buk. Pte. J. R. Smith, of the "Princess Pats," writing to a friend in Ottawa, says:—

"Tell my friends, if they want to help me, to send more Zam-Buk. We need all we can get out here."

The men say nothing can equal Zam-Buk for the many ailments and injuries incidental to a soldier's life at the front. It is invaluable for cuts, scratches, burns, sore hands, cold cracks, chilblains, blistered feet, and all skin ailments. Zam-Buk is antiseptic, and its application to a wound as soon as sustained will prevent blood-poisoning and save suffering.

Zam-Buk has been aptly described as "a dispensary in a two-inch box," and every soldier should carry a box in his pocket. All drug-gists and stores, or Zam-Buk Co., Toronto 50c. box, 3 for \$1.25.

JEW IN RUSSIA

NOT BEHAVING WELL

London, March 27.—The Times' Riga correspondent, after eulogizing the loyal spirit of the army, navy and civilians in that region, says:

"I am grieved to state that the Jews are not behaving well. They have become citizens of free Russia, but they do not display a sense of responsibility befitting their new position. Similar complaints had reached me at Petrograd. Hot-headed, hysterical Jewish youths are playing into the hands of worse than demagogues and Russia's external elements."

"The Jewish students at the University of Dorpat have established their own militia and are defying the authorities of the local militia and the provisional government."

"Under the influence of the resulting anarchy there has been bloodshed and destruction of property."

"If anarchy comes to Russia, there is bound to be reaction in which the Jews will be the first sufferers."

Gibson is a Canadian and belongs to London, Ont.
