HON. MR. CARVELL'S ADDRESS TO HIS CONSTITUENTS

Minister of Public Works Makes a Strong Appeal for Support in the Impending Election--Tells Why He Supported the Military Service Act and Joined the Union Government--The Germans Must be Defeated.

Woodstock, Nov. 7. — Hon. F. B. Carvell has issued the following address to the electors of Victoria and Carleton:

To the Electors of the Electoral District of Victoria and Carleton:
Ladies and Gentlemen—

The writs for the general election to be held on Dec. 17 next, having been issued and, being the New Brunswick representative in the new Union Government, in appealing to you for your support I feel it incumbent upon me in as brief a manner as possible to state to you my position, and the reasons for the formation of the government three weeks ago.

The real question before the electors of Canada today is whether or not this Dominion will do its full duty, for your support, I feel it incumbent upon me to state to you my position, and the reasons for the formation of the government three weeks ago.

When the Military Service act was introduced in Parliament by the present premier in the month of May last a sharp cleavage arose, not only in Parliament but throughout Canada at large and, in voting upon this all-important measure, unfortunately twenty-five of my colleagues and myself found ourselves at variance with our leader as to the advisability of supporting selective conscription, which I freely admit was something new in the political life of Canada, and something which had not existed in the British Empire for more than 100 years, until the war had been in progress for about a year, when it was introduced and enforced in Great Britain, and even then, we did not dream we would have to be called upon to enforce such a measure in Canada; but the world is experiencing conditions such as it never knew before. All preconceived ideas of political economy, ideas of government and the liberty of the subject must change if necessary, under the altered conditions as they arise, to make this world a fit place in which people may dwell in peace and security.

For four long months my colleagues and myself attempted to find some common ground with our leader on this great issue on which we could appeal to the country, but unfortunately we failed; and believing as I do, that the first duty of every citizen is to do his utmost, and see that his country does its utmost, to the successful prosecution of this war, after many long and weary negotiations, I decided to accept the position in the union government which I now occupy.

This government has been formed by a union of both Conservatives and Liberals for the express purpose of

carrying on the affairs of the country, if elected, until the close of the war and a reasonable time thereafter in which to demobilize the army and place the country again upon a peace footing. When that has been accomplished our agreement ceases and every member of the government, whether Liberal or Conservative, is at perfect liberty to pursue any course which in his conscience he may deem right and proper.

We have allowed all matters of local and political interest to Canada to remain in abeyance until peace has been declared, and to devote our whole attention to the energetic prosecution of the war.

Holding these views, and upon this platform, I confidently appeal to you for your support, and if elected, promise you that not only will I give my whole energy to the great object for which this government was constituted, but also, so far as my department is concerned, and so far as my opinion may prevail with my colleagues, the affairs of this country will be run upon a business basis such as never existed heretofore. Patronage committees and patronage lists will be abolished, and the appointments to offices and other necessary functions of the government will be divided between both political parties in as equitable a manner as it is possible in other words, I intend to practice in office what, for the past six years, I have been preaching in opposition. I will probably not be able to accomplish all that I would like to do, but insofar as in me lies, I will do my best to attain the goal before me.

Upon this platform, and with these objects in view, I confidently ask for your support on Dec. 17 next.

Sincerely yours,

F. B. CARVELL.

to be married. Although he had been going with her for ten years, yet he wanted her to wait another ten years. Mrs. W. L. Jennings as Jane Crabbe, the wife of a hen-pecked husband should have been seen by every wife, but if they all try Jane Crabbe's way the poor men are to be pitted. Miss Lily Simpson as Miss Jane Heather, dressed in Scottish costume, delighted the audience with a Scotch song. Miss Edna Bolster, in the part of Molly Charity pelated the audience when she sang that old familiar song "Home Sweet Home." Mollie's young man, Mr. Right (Mr. Holyoke) took the part like an old timer. A reading, "Curfew Shall Not Ring Tonight," by Miss Grace Davis, was very much appreciated.

GOT WET FEET TOOK AWFUL COLD Could Not Sleep for Cough.

A bad cold accompanied by a distressing cough that keeps you awake at night is most aggravating, and unless it is attended to at once may develop into something very serious.

Dr. Wood's Norway Pine Syrup is the remedy you should take. It heals the mucous surfaces, relieves oppression and tightness of the chest, removes the accumulation of phlegm, quiets the most obstinate and distressing coughs, and secures rest and sleep at night, not only to the sufferer, but to others whose rest would otherwise be broken.

Mrs. Ezekiel Acker, Lake Pleasant, N. S., writes: "I got wet feet and took an awful cold; could not sleep at night, and would do nothing but cough. My husband got me a bottle of medicine, but it was not worth calling home. I was going to call the doctor in when a friend asked me to try Dr. Wood's Norway Pine Syrup. I told her I had not faith in it, but she urged me to get a bottle. I did, and I must say that of all medicine I ever took, it is the best, and relieved me the quickest of anything I ever saw."

"Dr. Wood's" is put up in a yellow wrapper; three pine trees the trade mark; price 25c and 50c; manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

ENTERTAINMENT WAS SUCCESS

The entertainment in the school room of the Methodist church Tuesday night when The Minister's Bride was presented was a grand success. The room was crowded, and everyone was more than pleased. The different actors took their parts as if they had been on the stage all their lives. The part of the minister was taken by Mr. Fred Saxe in a very able manner. Miss Jean Young very pleasingly took the part of the bride. Mrs. Harris Forbes as Miranda Meek brought the house down when she appeared at the minister's house with her young man
