USE OUR HARDWARE IT STANDS HARD WEAR

WHOLE PROVINCE WILL BE COVERED

(Continued from page 8.)
an ardent motorist, after thanking the minister for his work on the high-ways states:

"I do not believe you will find the average owner of a machine unreasonable. We feel we have not had careful or adequate expenditure in the past years, and when I say adequate, I mean in comparison with our resources which I know are limited compared with our area, and this continued condition naturally has made the average man doubtful of results, one trouble being to get continued effort. I appreciate the courtesy with which you have received my somewhat lengthy letters and assure you of my appreciation of the excellent work you have been able to do and

the very businesslike way you are planning for the future."

Another St. John Opinion.

An extract from a letter from another leading citizen of St. John in regard to the work being done between Westfield and St. John is as follows:

"I can assure you that everybody will appreciate the work you are doing in the Westfield section and we fully realize the difficulty you are under this year with regard to getting labor to get the work done and the weather conditions, also the many years of neglect that the roads have had."

Referring to a certain bridge the same writer states: "This bridge surely should have been attended to by your predecessors many years ago."

The writer of this letter was an ardent supporter of the former administration.

Hunters of Big Game.

Messrs. Walter Doerschuck, Richard Doerschuck and Frank Froes of Brooklyn, arrived here yesterday and left last night to hunt big game on Cain's River with Mr. W. H. Allen as guide. Mr. and Mrs. Howard Ehrlich of New York, are to arrive tomorrow.

POTATO PRICES MAY BE FIXED AFTER OCTOBER 1ST.

Food Controller Hanna Has Been Asked to Make \$1.25 Per Bag the Maximum Price---Says There Must Be No Hoarding of Potatoes This Year---Crop in Canada will be Twenty Million Bushels Greater Than Last Year.

Chicago, Sept. 26. — Sweeping advances took place today in the provision market, smashing previous top records. The biggest upturns were in pork and ribs (bacon). January delivery of pork showed at one time an overnight jump of \$1.67 a barrel. January ribs went up \$1.

Government buying of such volume that stocks are being sharply reduced was said to have been a factor in factor in causing the soaring of values. Besides, scarcity of hogs has of late been daily apparent at the stockyards here.

Ottawa, Sept. 26. — Hon. W. J. Hanna, Canadian food controller, has received a report from the chairman of the fruit and vegetable commission recommending that potatoes produced in Ontario and Quebec be sold at no higher than \$1.25 per bag, after October 1.

"There must be no hoarding of potatoes this year," declared Mr. Hanna. "We must hear no more of speculators hoarding carloads of potatoes on railway sidings to freeze so as to reduce the supply of food in the country and enhance the market value of the remaining supply. Such an action should be made a criminal offense."

Mr. Hanna went on to say that the Canadian potato crop would probably be 20,000,000 bushels greater than last year and that there would probably be a surplus of about 10,000,000 bushels.

The problem, he says, is not how to economize the supply of potatoes, but how to increase the consumption so that none will be wasted. An increased consumption of potatoes would help to reduce the amount of white flour, beef and bacon used in Canada.

Forming Committees.

"In all probability," said Mr. Hanna, "a joint committee of representative men will be formed with one representative from each of the eastern provinces, to consider the whole potato situation in the interests of consumers and producers alike. The question will be considered of the necessity of opening wholesale and retail storage facilities in the interest of those who may find themselves without the proper means of carrying over their crop until the spring demand."

WEDDING BELLS.**Fairley-Carruthers.**

Miss Vida Izella Carruthers of Devon, was married at three o'clock Wednesday at the home of her father, Mr. David Carruthers to Scott M. Fairley of Cobalt, Ont. formerly of Boiestown. Rev. J. S. Sutherland, pastor of St. Paul's Presbyterian church in this city, performed the ceremony. The bride for four years was a member of the teaching staff of the Fredericton public schools. Mr. and Mrs. Fairley left last evening for Cobalt via Montreal and Niagara Falls.

Coombes-White.

Miss Helen White and Leonard Coombes, both of this city, were united in marriage at four o'clock Wednesday at St. Dunstan's church. Rev. Father Carney performed the ceremony. They were unattended.

Bridal Party.

A bridal party arrived last evening from a point up river on a honeymoon trip and registered at the Barker House. As they entered the hotel, their decorations soon gave away the fact that they were newly married.
