New York Players Had it Hand-  
ed Over to Them — No  
Series Money will be  
Held Out.

New York, Oct. 17. — The last touches were put on the 1917 world's baseball series here today when John Bruce, treasurer of the national commission, handed a check for \$61,227.38, the losers' share of the series, to Captain Charles Herzog and John Lobert, of the New York club. Herzog and Lobert were delegated by their team mates to receive the money, and it was distributed to them by Herzog. The national commission decided to comply with the request of the players not to hold out any of their world series money after they had pledged themselves not to participate in any exhibition games.

## CROSS COUNTRY RUN FOR GIRLS

State College, Pa., Oct. 16. — Girls of the sophomore and freshman classes at the Pennsylvania State College are to meet in a cross-country run. The co-eds will cover a two-mile course over hill and dale, selected by C. W. Martin, the Penn State Varsity track team coach. A permanent trophy has been offered for the contest. The name of the girl winning the race, and her time, will be engraved on the silver cup, as well as the numbers of the victorious class. No limit has been placed on the number of entries, but only the first twenty of each team to finish will count in the scoring. With this meet fixed for October 27, the candidates for the interclass contest are training daily for the event.

## BASEBALL IN ENGLAND

Sporting Life (London) gave two-thirds of a column to a review of the American major league baseball season by an American expert. The expert was all right, too, barring a slip of the pen by which he called Fred Mitchell, the Cubs' manager, Mike. An American-Canadian game at Bourne-mouth recently drew 8,000 spectators. The Americans won 4 to 1. Baseball is certainly getting a toe hold over in England.

## REGGIE WALKER IS WOUNDED

### ROTHESAY COLLEGIATE TOOK FIRM GRIP ON INTERSCHOLASTIC TITLE, BEATING FREDERICTON HIGH 8 TO 0

Blue and White Looks Like Best Team of the League—Had a  
Good Margin Over Local Team—Latter Braced Up in the  
Second Half After Playing Poorly in First Period—Roth-  
say's Illegal Tactics Heavily Penalized—Used Deliberate  
Interference.

Rothsay Collegiate School practically won the Interscholastic Rugby League championship here yesterday by beating Fredericton High School 8 to 0. The Blue and White scored two tries and converted one of them. All the scoring was in the first half when Rothsay had the Yellow and Black trying hard to keep down a big score. The second period saw Fredericton High showing a reversal of form. The locals braced up and had the better of the territory play. Once they forced Rothsay to touch for safety and several times were close to the Rothsay goal line. They lacked scoring ability, however, and as Rothsay's heavy scrum usually held the ball Walker, the fast quarterback who dropped two goals from behind the scrum against St. John High did not have a chance to work that play.

**Rothsay Team Strong.**  
The Rothsay team was heavy for a school team and is easily the best of the three in the Interscholastic League. The backs all were fast and passed and tackled well. Their attempts at deliberate interference and their offside play in the second half marred their work and brought heavy penalties on their team. American football tactics are out of place in English Rugby particularly in a team which can play as good a game as can Rothsay.

Fredericton High did not have the "pep" they had on Saturday last when St. John High was beaten 22 to 0. In the second half they did much better and had they done as well in the first period might have held the visitors scoreless. The locals failed to take advantage of the strong wind in the second half. On the other hand Rothsay punted to great advantage in the first half.

**The Scoring.**  
Rothsay started the game with a rush and in short order showed that they had a margin over Fredericton. The scrum heeled the ball sharply showing the lighter local men off it. The passing-quarter got it away nicely and the passing of the halves was good, with very little fumbling. All these combined to keep the Yellow and Black on the defensive. The first try was scored by Short who got away on a long run after the Rothsay backs took the ball to the left side of the field. The attempt to convert failed. With the score 3 to 0 against them Fredericton seemed to lose heart. Rothsay kept up the attack and a few minutes later A. Diago crossed the Fredericton goal line near the right side of the field after a long passing run in which most of the Blue and White backs took part. Fredericton played very poor Rugby at this juncture, allowing the fast Rothsay man to circle clear behind the goal when they could easily have forced him to make his try to the side. The result was that Diago had the easiest of positions fair in front of the goal and converted neatly, making the score 8 to 0.

In the second half Fredericton High took a brace but showed poor judgment almost at all times. Once Rothsay touched for safety when a little more thought might have given the locals a try. The local backs also kicked down the field several times when by finding touch they would have made great gains. From the

spectators' viewpoint this period was better than the first as there was much running and tackling by the backs with Fredericton High showing as well as the visitors. In this period Rothsay resorted to bucking through the broken scrum when it would have been much better to let their backs have the ball.

The teams were as follows:  
Fredericton High.  
Rothsay.

## CHAS. N. CLARK DIED YESTERDAY

Well Known Resident of Fredericton—Formerly Connected With Boot and Shoe Trade.
