# INTERNAL TROUBLES ARE REPORTED IN GERMANY

### Food Riots Said to Have Broken Out in Berlin and Troops are Called Upon to Maintain Order---Munition Workers go On Strike---Trying to get Rid of Von Bethmann-Hollweg---War Loan Not a Success.

London, March 21.—Reuter's Amsterdam correspondent reports that it is rumored that serious riots have broken out in Berlin in connection with the scarcity of food.

"A despatch from Oldenza, Holland, says persistent rumors are current of great rioting in Berlin," the despatch says. "Frontier regiments are reported to have left for Berlin to maintain order."

#### Munition Makers Strike.

London, March 21.—A despatch to the Exchange Telegraph from Rotterdam says:

"Our frontier correspondent understands that five munition factories in Dusseldorf have been the scenes of strikes during the last 48 hours, in protest against the small rations entailed by the reduction in the meat, bread and potato allowances introduced last week. The workers refused to resume work unless the food ration are increased."

#### Forcing Bethmann Out.

Amsterdam, March 21.—A Munich despatch to the Berlin Tageblatt says

that the "national committee for the swift overthrow of England" held a secret meeting on Monday and discussed measures for forcing Chancellor Von Bethmann-Hollweg out of office. The despatch adds that a great popular demonstration is to be held next Monday.

"The national committee for the swift overthrow of England" is a new organization, as far as any public despatches from Germany are concerned. Recent reports have told of apparent hostility throughout Bavaria against Germany.

#### War Loan a Fiasco.

London, March 21.—A Hague despatch from the correspondent of the Exchange Telegraph Company says: "The German ministry of finance is organizing a great canvassing campaign for the sixth German war loan, which, in financial circles, is considered less successful than the previous loans, the subscriptions being one-third lower. Berlin and Frankfurt bankers openly state that the present failure shows the uselessness of launching a seventh loan."

#### W. C. T. U. IN SESSION.

An interesting session of the W. C. T. U. was held yesterday afternoon in the Y. M. C. A. reading room. Reports of work done and plans for the future were discussed by the different members. The Field Secretary of the Dominion Alliance for the province, Rev. W. D. Wilson, was present, and spoke to the ladies. Mr. Wilson is always a very welcome visitor to the W. C. T. U., whose members enjoy listening to his interesting remarks on the progress along prohibition lines.

The society had a fine programme prepared for the winter meetings and nearly every week some prominent men of the city have spoken on topics bearing on the work of the different departments of the Union. Besides many of the clergy of the city, Dr. Jones, Dr. Kierstead and Prof. Styles, of the U. N. B., Mr. A. C. M. Lawson, and Dr. W. H. Irvine have given addresses. Something over \$300 has been paid out for temperance and benevolent purposes.

## FRENCH OCCUPY MORE VILLAGES

Paris, March 22.—The Germans began an energetic resistance to the French last night between the Somme and the Aisne, but after spirited fighting northeast of Tergnier the French forced them out of several strong positions.

That the lessor of any dwelling house must, before leasing it to any person, have the building thoroughly fumigated, if previously a tubercular patient has occupied it, is one of the amendments which the sub-committee of the Provincial Board of Health will recommend at the next meeting of the full board.

This, among other things, was decided upon Tuesday night at a meeting of the sub-committee held in St. John. This committee is composed of Dr. J. M. Mullin, secretary of the Provincial Board of Health, Dr. L. M. Curren and Daniel Mullin, K. C., of St. John.
