HAD BRONCHITIS
FOR YEARS

Bronchitis comes from a neglected
cold, and it, if neglected, will surely
turn into pneumonia. The first symp-
tom is a short, painful, dry cough, ac-
companied with rapid wheezing and a
feeling of oppression or tightness
through the chest.

The phlegm raised from the bronch-
ial tubes is at first of a light color, but
as the disease progresses it becomes of
a yellowish or greenish color and is
very often hard to raise.

Dr. Wood's Norway is just the reme-
dy you require, as it loosens the
phlegm and heals the lungs and the
bronchial tubes.

Mrs. Chas. Brean, Amherst, N. S.,
writes: "I was troubled for years with
bronchitis, and could not find any re-
lief. I was especially bad on a damp
day. I went to a druggist and asked
him for something to stop the constant
tickling in my throat. He gave me a
bottle of Dr. Wood's Norway Pine Sy-
rup, which I found gave me instant re-
lief. I think it is the best medicine
for bronchitis I know of. I now take
care that I always have a bottle on
hand."

"Dr. Wood's" is the genuine, put up
in a yellow wrapper, three pine trees the
trade mark, price 25c. and 50c.
