

Canada needs what You can Save !

"What we have got to do is not only to produce, but to save!"

Sir George Foster,
Minister of Trade and Commerce.

THE part which Canada is proud to play in the Empire's war is costing more than we ever dreamed we could raise. If we are to make good financially, all must help!

If every man, woman, and child in Canada would save 15c. a day, and invest it in War Savings Certificates, we could carry the cost of the War.

War Savings Certificates make it easy for everyone to become Canada's partner—bearing a share of the burden—earning, and receiving, a share of the reward.

For every \$21.50 you lend the nation now, you will receive \$25 at the end of three years—an interest return of over 5%. Certificates are issued in denominations of \$25, \$50 and \$100, selling at \$21.50, \$43 and \$86 respectively, at any Bank or Money Order Post Office.

THE SAMMIES TUTORED BY BLUE DEVILS

With the American Army in France, Aug. 24.—It is now possible to tell people at home that the boys in khaki under Major General Pershing are being taught the art of modern war by the most highly skilled teachers in the French army, the famous Chasseurs Alpin, widely known as "The Blue Devils of France." Heretofore the censor would not permit any mention of the name.

The Alpine Corps are the top-notch in the French military establishment and their assignment as brothers in arms of the first American expeditionary force is a great compliment paid by France to her well-beloved ally. It would be impossible to find teachers more skilled and sympathetic and the Americans greatly appreciate the courtesy. It is not possible to exaggerate the spirit of comradeship between the Chasseurs and the Americans, and the people at home may be sure our boys are in the best possible hands and will go into the trenches knowing all the tricks.

Based on official figures, it is reckoned that \$500 would pay Great Britain's war bill for about 1-3 seconds.

THE ROAD TO THE RIGHT.

YOU'VE met at least one of those few good old souls, who are constantly getting the worst of it when shopping, who don't believe in advertising. A hundred disappointing and instructive experiences have failed to teach him their plain lesson.

When he bought his first watch he was beguiled into buying one without a known name or a trustworthy guarantee. That watch—a poor timekeeper—cost him dearly by reason of missed appointments and missed trains, and for frequent repairs. Yet he paid the price of a good watch.

It is the same story with regard to his underwear, his shoes, and his fountain pen.

This good old soul's case is not unique. Many of us, if the truth be confessed, resemble him; we allow ourselves to be sold merchandise with an unknown brand or trade mark instead of buying merchandise which is well known to us through the medium of advertising. In slang language, we get "stung" pretty often.

In most of these cases we have ourselves to blame, for "the road to the right" thing to buy has been made plain by advertising.

There is no good reason for passing by the known thing, soundly guaranteed, to buy a dubious article, which, quality for quality, cannot be cheaper than the known, branded article.

If you are doing a local business talk over your advertising problems with the Advertising Department of this newspaper.

If you are doing a provincial or national business it is equally for you to have the counsel and assistance of a good advertising agency. A list of these will be furnished, without cost, by the Secretary of Canadian Press Association, Room 100, Lumsden Building, Toronto.

"It is better to be sure than sorry."
