## TO REORGANIZE

## GERMAN EMPIRE

Political Reorganization and Reform Predicted—Empire will Still be Surrounded by Enemies.

London, March 15.—A political reorganization of the German empire after the war, involving a greater share by the people in the conduct of imperial affairs, was predicted by the Chancellor, Von Bethmann-Holweg, in a speech before the Prussian diet, according to a Berlin despatch to Reuters by way of Amsterdam. The Chancellor opened his address by protesting against criticism levelled at the Reichstag by the upper house of the Diet.

Admitting that every parliament in Germany is entitled to discuss imperial policies, he reiterated previous assurances that the war must lead to a political reorganization and that the government would, after the close of hostilities, propose a reform of the Prussian franchise.

"After the war," said the Chancellor, "we shall be confronted with the most gigantic tasks that ever confronted a nation. They will be so gigantic that the entire people will have to work to solve them. A strong foreign policy will be necessary, for we shall be surrounded by enemies who shall not meet us with loud words, but with the internal strength of the nation. We can only pursue such a policy if the patriotism which during the war has developed to such a marvelous reality, is maintained and strengthened."

BRITISH STEAMER  
TORPEDOED BY HUNS

Boston, March 15.—Agents of the Warren Line announced today that they had received indirect word that the British steamer Sagamore, which sailed from Boston Feb. 21 for Liverpool, had been sunk by a submarine. There were no Americans aboard.

Vessel and cargo were valued at \$1,500,000. While declining to give the source of their information, Warren line officials said they were satisfied the vessel had been sunk. They explained that the delay in reporting her loss probably was due to an Admiralty ruling under which the list of ships sunk by submarines is issued weekly.

Suffered With Heart  
For Ten Years

WOULD NEARLY SMOTHER.

There is nothing that brings with it such fear of impending death as to wake up in the night with that awful sense of smothering. The uncertain and irregular heart action causes the greatest distress of both mind and body.

Milburn's Heart and Nerve Pills are the only remedy that can give prompt relief and effect a complete cure in cases of such severity.

They strengthen and invigorate the heart, so that it beats strong and regular, and tone up the nervous system so that the cause of so much anxiety becomes a thing of the past.

Mrs. M. O. McCready, Wapella, Sask., in medicines, but I feel that it is only right for me to let you know what your wonderful remedy has done for me, and in a very short time, too. I had suffered terribly with my heart for nearly ten years, could scarcely do any work, and would nearly smother at times. I had many remedies, some only relieving me for a time. I got a box of Milburn's Heart and Nerve Pills and felt writes: "I am not much of a believer so much better that I kept on using them, and can truthfully say I feel like a new woman."

"I would advise anyone with heart trouble to use them."

Milburn's Heart and Nerve Pills are 50c., or three boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Eve started it all by offering Adam the apple, and as a penalty she has had to furnish him food ever since—and take the consequences if it disagrees with him.

"CSCARETS" LIVE!  
LIVER AND BOWELSDon't Stay Headachy, Constipated,  
Sick, With Breath Bad and  
Stomach Sour.

Get a 10-cent box now.

You men and women who can't get feeling right—who have headache, coated tongue, bad taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have a bad cold.

Are you keeping your bowels clean with Carcarts, or merely forcing a passageway every few days with salts, cathartic pills or castor oil?

Carcarts work while you sleep; cleanse the stomach, remove the sour, undigested, fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison in the bowels.

A Carcart tonight will straighten you out by morning—a ten-cent box from any drug store will keep your stomach sweet, liver and bowels regular and head clear for months. Don't forget the children. They love Carcarts because they taste good—never gripe or sicken.

Shakespeare spoke of "cermons in stones," and now a Philadelphia chemist proffers a "stone soup" made entirely of mineral ingredients. We'd prefer to hearken and grow fat on the preaching, thanks just the same.
