## THE MARITIME BAPTIST'S VIEWS

(From the Maritime Baptist.)

His (Flemming's) own testimony before the Commission, however, has not done him credit, and sorrow is expressed on every hand that a man who had gained public favor as Mr. Flemming had done, should have allowed himself to have become mixed up in such a discreditable transaction.

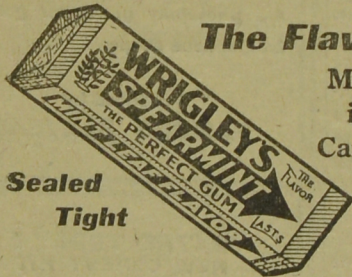

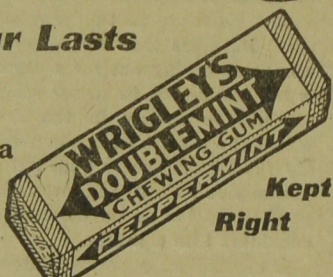

Whatever wrong doing in public places has been condoned in the past—and much has been winked at—the time has come when honest and fair-minded people will not stand for such transactions as have just now been brought to light. With the petty affairs of political parties this journal has little concern, but it is deeply concerned with the great moral issues involved in the Crown Land investigation, and for the honor of New Brunswick.

HOW PUBLIC MONEY  
IS SQUANDERED

During the year 1915 the economical and business-like provincial government undertook to make some repairs on a small cottage at Old Government House. Mr. A. C. Flemming and the other boys were put on the job, and as usual given a free hand. Before the job was finished they had succeeded in running up a bill for \$1,004.41, which had to be paid out of the public treasury. Here are the items taken from the Auditor General's report:

Limerick, A. & Son, plumbing at Old Govt. House cottage..	\$364.44
King, Ed., 10 days labor at Old Govt. House cottage .....	20.00
Delong, C., 9 days mason work at cottage and Govt. House..	36.95
Donovan, J. H., materials and labor, painting and papering cottage at Old Govt. House..	\$32.12
Fleming, A. C., 25 days repairing cottage at Old Govt. House	100.00
Neill, J. S. & Sons, 27 squares Rubberoid for cottage, Old Govt. House .....	100.50
Total .....	\$1,004.41

The cottage when the repairs were completed was rented for the princely sum of \$100 per year, which on a 10 per cent. basis means that it was worth \$1,000, after \$1,004.41 had been spent upon it in repairs. The "boys" who put on this wonderful stunt are now in daily attendance at the Government Committee rooms, striving with all their might to "save the party" from the fate which threatens it on Saturday next. Are the people going to stand for rank robbery of this kind?

APPEAL FROM  
OPPOSITION  
CANDIDATES

To the Men of York.

Gentlemen,—Having been unanimously chosen at a large convention to oppose the candidates of the present government in this county, we submit ourselves to the electorate and ask for support. The convention at which we were chosen did not represent one political party only, but was composed in large measure of men who in the past supported the present administration, but who have resolved to follow in this election the dictates of conscience rather than party and who have made up their minds that they cannot, by supporting the candidates of the government approve of wrong doing.

The administration in charge of the affairs of this province since 1912 has been convicted of the gravest wrong doing. The Hon. J. K. Flemming while Premier was found guilty of stamping with his approval the collecting of large sums for grossly improper purposes from the holders of Crown land licenses. The Hon. J. A. Murray, the Premier, supported in the Legislature a resolution expressing approval of this conduct of Mr. Flemming after a Royal Commission appointed by this government had found him guilty; and now the same Mr. Murray, in the manifesto which he has issued to the people of the Province, brazenly states that he will, if elected, attempt to follow in the same footsteps.

WE APPEAL TO YOU TO VOTE AGAINST SUCH GROSS DISHONEST PRACTICES. We also appeal to you upon the platform of reform adopted by the Opposition in provincial convention in January, 1916. The present government has since the adoption and publication of that platform, attempted to follow to some extent a few of its provisions. One of the planks of this platform was the adoption of province-wide prohibition of the sale of intoxicating liquors; another was that the taxes levied on automobiles should be used for the construction of permanent roads.

The Hon. B. F. Smith has lately appropriated to his own use part of this plank concerning the use of automobile taxes and the Legislature has since the adoption of the Opposition platform passed a Prohibition Act. That statute was therefore passed with the approval of both the Government and the Opposition. There is now nothing required to be done except the enforcing of the act, and we assure you that if elected we will not lend support to any measure tending to weaken its effect, and we will provide for its proper administration.

It will be impossible for us to see personally a very large number of the electors between now and election day. The government has decided to hold the present elections on the shortest possible notice and in the dead of winter, when the roads are blocked with snow and many of the men are away from their homes. There is only one explanation for this, namely, that the Government fears to have the light of public discussion thrown upon its nefarious transactions. Although we cannot see you all, we assure you that if elected we will devote our best energies to the best interests of the county and the province. We are

Yours very truly,

ELWOOD BURTT.

GIRLS! DRAW A MOIST  
CLOTH THROUGH HAIR  
DOUBLE ITS BEAUTY

Try This! Hair Gets Thick, Glossy, Wavy and Beautiful at Once.

Immediate? Yes! Certain? That's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; it cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use when you see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it, surely get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter and just try it.

SIR SAM HUGHES  
SPOKE AT BOSTON

Boston, Feb. 20.—General Sir Sam Hughes was cheered at a banquet of the Canadian club here last night, when he declared it to be the purpose of Great Britain and her colonies to retain control of the seas and with the aid of the civilized world to insure free parliaments in countries where the people do not control their own governments.

Governor McCall delivered the address of welcome.

General Hughes paid a tribute to the young American soldiers who enlisted in Canadian regiments.

"Scores and scores of young boys," he said, "have gone down in the great cause, fighting as valiantly as the Canadians. Should the United States be drawn into the struggle for human liberty, I have no doubt that the Yankee boys duowdo fibrge-xwk-An . . . boys would do just as well as the descendants of the Covenanters and the Puritans."

HERE IS THE  
REAL ISSUE

Hon. B. Frank Smith, speaking at Gibson last Wednesday night, said:

"You have today those who go about this province scandalizing and abusing the Hon. J. K. Flemming. Not one of these men is fit to unlatch Mr. Flemming's shoes. He did more for this province in good and substantial work in one year than his abusers and the premiers of the past ever accomplished."

What do the honest electors of the province think of this?

## THE QUESTION OF INTEREST.

For the fiscal year 1907, the last year of the old government, the amount paid for interest, as shown by the Auditor General's report, was **\$178,569.70**.

In the fiscal year ending October 31st, 1916, the interest charge, according to the Auditor General's statement, was **\$351,004.99**.

Increase in nine years under the present government, **\$172,435.29**, an average of **\$19,159.47** per year, or at the rate of **\$58 per day**.

What do the electors think of this record for a government which went into power solemnly pledged to give the country an economical administration of affairs? Turn the rascals out!
