

LOCAL NEWS

Band Tonight.
There will be a brass band at the skating rink tonight.

Stock Exchange Report.
J. M. Robinson & San this afternoon received by private wire a stock exchange report of a revolution in Berlin, the German capital.

Still Alarm.
There was a still alarm Saturday night for a chimney fire at the residence of Mr. W. R. Belyea. There was no damage.

Six Below Zero.
The thermometer dropped to six degrees below zero last night, an unusually low temperature for this time of the year.

At the Gem Today.
Virginia Pearson, the movie favorite, will be seen in a great production "The Turn of the Road." A picture all should see.

Receiving Congratulations.
Mr. Moody Wright, operator at the local office of the C. P. R. Telegraph Company, is being congratulated today upon the arrival of a son at his home Sunday morning.

At the Gaiety Today.
The World Film company presents Robert Warwick in "Friday the 13th," a good story by Thos. W. Lawson. Gaiety's Topical Review. Concert orchestra.

Now in France.
Major E. C. Weyman, who left Canada with the 55th Battalion, has gone from England to France, where he is now on the firing line. He is a U. N. B. graduate and is well known in Fredericton.

Former City Engineer Here.
Mr. A. K. Grimmer, of St. Andrews, formerly city engineer of Fredericton, is in the city, having arrived Saturday night. Mr. Grimmer recently has been engaged on the intended water works improvement at Woodstock.

Late Mrs. Arthur H. Staples.
The funeral of the late Mrs. Arthur H. Staples took place Sunday afternoon from the home of her brother, Ald. R. J. Baxter, 286 Aberdeen street. It was largely attended. Rev. Thomas Marshall conducted the service. Interment was made at the Rural Cemetery.

Accidents at New Maryland.
Mr. David Rice of New Maryland had a finger split recently by a saw while operating a trimmer at Smith Brothers' mill there. Mr. David Morgan had two fingers cut off by an axe at New Maryland on Saturday. He was taken to Victoria Hospital for treatment.

Late Elizabeth S. Waterhouse.
The funeral of the late Miss Elizabeth S. Waterhouse took place Sunday afternoon at 1:30 from the residence of her sister, Mrs. H. M. Clarke. The service was conducted by Rev. G. C. Warren. Interment was made at the Rural Cemetery.

Bandsman Takes Discharge.
Private Ernest J. Hieatt has taken his discharge from the brass band of the 236th Highland Battalion, formerly the 115th Battalion band. He has been declared medically unfit for military service and will return to his occupation as a baker in St. John. The 236th band desires to secure several cornet players. Private Hieatt was a cornetist. His discharge further weakens an important section of the band.

To Boom Shipbuilding.
St. John papers announce that Mr. Thomas Nagle and associates are to form a two million dollar company and carry on shipbuilding in this province on an extensive scale. It is said that Sir Max Aitken (Lord Beaverbrook) and Mr. E. A. McCurdy, of Newcastle, are interested in the project. The only astonishing feature in connection with the proposed enterprise is that some announcement concerning it was not made prior to the provincial elections.

Provincial Orange Lodge.
The Orange Grand Lodge of New Brunswick will meet at Bathurst on Tuesday and Wednesday of this week. Some of the local delegates to the lodge will leave tonight and others tomorrow. Among those from Fredericton and vicinity who will go are Messrs Howard Rogers, Mered Brewer, Walter McFarlane, Rev. A. D. McLeod, J. Barry Allen, Ald. R. J. Baxter, W. M. Craig and E. C. Atkinson. Grand Master E. H. Clarkson, of Stanley, also will go.

MARYSVILLE HAS SECOND HOUSE BURNED TO GROUND

Marysville was visited by another disastrous fire early Sunday morning. The dwelling owned by Mr. Henry Hanson and occupied by Mr. George Chambers and family, was totally destroyed. Nothing was saved from the building. Mr. Chambers' family included five children, three of whom had to be carried from the house in their night clothing, narrowly escaping suffocation by smoke. The barn adjoining the house was burned and a horse in it was taken out with difficulty.

The origin of the fire is unknown. The house which was burned was situated near that of Mr. Millard F. Reid which was destroyed on Thursday night last. There is no fire protection in that part of Marysville in which the houses stood.

DAYLIGHT SAVING MAY BE CONSIDERED IN NEAR FUTURE

Attempt Likely to be Made to Make Adoption of Scheme More General In Province---Will be Before City Council

Daylight saving, which proved abortive in Fredericton last year, is to be attempted again this year, according to a report. It is understood that the City Council will be asked to take action in the matter. The fact that Daylight Saving was favorably received in St. John and other parts of the province last year has inspired those favorable to it to renewed efforts. In 1916 the laboring men of Fredericton showed little inclination to take up the new proposal. At a public meeting all representatives of labor spoke strongly against the introduction of the scheme into Fredericton. Those who are behind the proposal think that the laboring classes will take a different attitude this spring. Efforts have been made to have the people of the rural districts embrace daylight saving, but the farmers believe that there is no prospect of them gaining anything by making a change.

U. N. B. Mock Parliament. The second session of the annual U. N. B. Mock Parliament was held in the University Library on Saturday night. The Liberals, being in power with a large majority, had control of the House. Much of the time was taken up by arguments on parliamentary etiquette and procedure and very little business was transacted. Owing to the inclemency of the weather and the bad condition of walking, many of the members were not in their seats. For the same reason the audience was small.

Government Meeting. A member of the provincial government stated today that he thought a meeting of the executive would be held here on Thursday. It will probably be the last appearance of the outfit.

QUESTION OF DEER VS WILDCAT SETTLED IN FAVOR OF CAT

Large Wild-Cat Trapped at Myshrahl Settlement After Killing Big Buck Deer---Long-Standing Problem Decided.

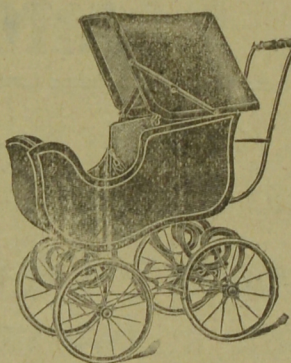

The long-disputed point in natural history concerning the ability of a wild cat to kill a buck deer seems to have been decided in favor of the wild cat, according to a story from Myshrahl Settlement, Parish of Kingsclear. Mr. John L. Myshrahl, of that place, on Tuesday last caught a large wild cat in a trap which he had set for the purpose. Mr. Myshrahl had observed a large buck deer in the vicinity of the settlement during the winter. A short time ago he discovered the carcass of the buck partially devoured. He believed at the time that the buck had been killed by a wild cat, and set a trap to catch the animal. He was successful, the cat proving to be a huge one. Deer lose their horns during the months of December and January, and in the latter part of the winter they are hornless. Those who have observed the habits of the deer and the wild cat state that while they possess horns the bucks can defend themselves, but after losing their horns they are liable to fall victims to the wild cats. Mr. Myshrahl having discovered the "hornless" truth concerning the wild cats, has put traps out for more.

SNOW BLIND

Protect your Eyes from the glare of the sun on the snow
Good Quality Spectacles, fitted with London smoke lenses,
Nickel frames, Riding bows for 40c a pair.
