## CASTORIA

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of *Chas. H. Fletcher* and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

## What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

## OF INTEREST TO WOMEN

## BONBON BAGS.

When in doubt buy candy, for candy in the form of chocolates, bonbons, fruit glaces, parlines or marrons glaces will surely please any woman.

In France they have a charming way of converting a candy offering into a lasting souvenir. They put the candy into dainty silk bags, which once emptied may serve as opera or evening bags. All women love these bags and they never have enough of them, for any evening bag must if not absolutely match the gown at least harmonize with it.

These bags do not require much material—a little bit of silk, lace and ribbon will do. Almost everyone has small remnants that will serve the purpose and with a lit-

tle patience one may make a very dainty bag that, filled with bonbons, will prove a desirable present for the most fastidious friend.

## WHIMS OF FASHION.

Footwear is growing more and more dainty. Shoes of silk are embroidered with gold and silver thread.

A great many of the richest of the new gowns are inspired by the mediaeval garments with long clinging lines.

With the present children's fashions it is possible to make a delightful little dress with two inexpensive remnants.

Cloth frocks are no longer stiff affairs of no beauty. They are button trimmed, graceful in line and generally chic.

## DEPORTATION OF BELGIAN MEN LEAVES WOMEN AND CHILDREN MORE HELPLESS THAN EVER

Neutral protests do not prevent the Germans from continuing the deportation and enslavement of the able-bodied men who were left in unhappy Belgium—and we are powerless to stop it until we have won the war.

Meanwhile the Neutral Commission for Relief in Belgium, administered without pay by great-hearted Americans, is saving the women and children from starvation. Here we CAN help promptly and effectively, by giving generously to the Belgian Relief Fund.

More contributions than ever are needed, because the higher prices of foodstuffs, particularly wheat, have seriously increased the cost of feeding these millions of dependent Belgians. How much can you spare the victims of one of the blackest, most cold-blooded crimes?

Send whatever you can give weekly, monthly or in one lump sum to Local or Provincial Committees, or

The morning frock should be of serge, the afternoon frock of velvet and the evening frock of satin or any soft, rich fabric.

A charming afternoon gown is of soft black satin edged with white satin and combined with vest and collar of soft white batiste.

## DOUKHOBORS THRIVE

Strange Communists Make Good as Fruit Growers in British Columbia

The Doukhobors of British Columbia who are in a sort of "get together" movement are known as "The Christian Community of Universal Brotherhood," and it is claimed for them that they live in peace and contentment which is not enjoyed by any other set of people in the world. M. Verigin claims they would all have been enormously wealthy had the Dominion Government, in 1907, not cancelled the 3,000 homesteads in the Yorkton district which the "community" had improved. The reason for this cancellation was because the brotherhood could not by reason of their religion, take the oaths necessary to be taken in obtaining a homestead.

The religion of the brotherhood prohibits them from partaking in war, and consequently no members ever enlisted. When they found it impossible to secure homesteads, the brotherhood decided to purchase 20,000 acres of orchard lands in British Columbia, and they have since about one-quarter of this land in a splendid state of cultivation, and have erected on it a jam factory, saw mills and other industries. About 30 carloads of fruit each year are shipped from the community.

Mr. Verigin has a proposition to have the fruits from his orchards sold in markets on the prairies which have previously been stocked with United States fruits. The crops from the Saskatchewan and Alberta brotherhood farms have been very good and the whole brotherhood is experiencing increasing prosperity.

## Pain in the Back and Kidney Trouble SINCE CHILDHOOD

When the kidneys get out of order the back is sure to become afflicted, and dull pains, sharp pains, quick twinges, all point to the fact that the kidneys need attention.

Plasters and liniments will not cure the kidneys, for they cannot get to the seat of the trouble, but Doan's Kidney Pills do, and the reason for this is that they are a remedy for all kidney and bladder troubles only.

Miss Mary Lancup, St. Isidore, Que., writes: "Since my childhood I have suffered very much from pain in the back and kidney trouble. I have used several remedies, but nothing did me any good. A friend advised me to take Doan's Kidney Pills, so I tried a box, and before I had finished it I felt relief. I took three more boxes and am completely cured. I advise all those who suffer from kidney trouble to use them, and believe they will do for others what they have done for me."

Doan's Kidney Pills are the original kidney pills, they are put up in an oblong grey box, the trade mark a "Maple Leaf."

Price 50c. per box, three boxes for \$1.25, at all dealers, or mailed direct on receipt of price, by The T. Milburn Co., Limited, Toronto, Ont.

Specify "Doan's" if ordering direct.

## A NEW BREED OF CATTLE

Dexters may be said to be a new breed of cattle, at least they are not largely known, which is shown by the fact that the 26 head which comprised an exhibit of this stock, at a fair in British Columbia, is said to be the largest of the breed ever shown in America. In fact, it is said that no Dexters or French-Canadians have ever been shown at any of the Eastern fairs. The Dexters while little known comparatively, are said by people who have studied their characteristics to be the coming cattle in British Columbia for the small farmer and the householder. They are a little black animal, seldom ranging more than 40 inches in height, docile, easily kept, hardy, and excellent milkers. They are also good beef cattle in spite of their smallness, the steers maturing early, and the most usually commanding from two to three cents more per pound than other breeds.

## YOU'RE BILIOUS! LET "CASCARETS" LIVE! LIVER AND BOWELS

Don't Stay Headachy, Constipated, Sick, With Breath Bad and Stomach Sour.

Get a 10-cent box now.

You men and women who can't get feeling right—who have headache, coated tongue, bad taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have a bad cold.

Are you keeping your bowels clean with Cascarets, or merely forcing a passageway every few days with salts, cathartic pills or castor oil?

Cascarets work while you sleep; cleanse the stomach, remove the sour, undigested, fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison in the bowels.

A Cascaret tonight will straighten you out by morning—a ten-cent box from any drug store will keep your stomach sweet, liver and bowels regular and head clear for months. Don't forget the children. They love Cascarets because they taste good—never gripe or sicken.

## No Railway Tickets

In the early days of railways in Great Britain the Chancellor of the Exchequer would not have been able to tax tickets, for the simple reason that they did not exist. The adventurous traveller who desired to journey by rail presented himself at the booking office about an hour before his train was due, and a clerk leisurely took down his name and address and other particulars, which he entered on a way bill like so much goods. He then gave him a receipt, and this constituted the contract note for his journey.

The average is less than 100 eggs per hen per year. First eggs to hatch that average 120 eggs. Ten hens to 150 eggs. And, finally, if it is possible, reach the 200-egg record.
