THE VICTORY LOAN.

As the Halifax Chronicle points out, the man who buys a hundred dollar Victory Bond maturing in twenty years gets his hundred dollars back at the end of that period, and in the meantime he has received one hundred and ten dollars in interest. Here is the way it works out: He invests \$100; he gets back \$210, including interest. These are the gross figures. But if the bondholder, as each half-year's interest is paid him, puts it in a savings bank and allows it to accumulate, his interest at the end of 20 years will have amounted to \$150, and there will be available, with the principal, \$250.

Perhaps there are many people, however, who do not wish to make an investment for twenty years. Very well, they may purchase Victory bonds payable in ten years, or even five years. But suppose they want this money in the meantime? Then all they have to do is to take their bond to a broker and he will sell it for them. There will always be a strong market for Victory Bonds.

Here is an idea for the man who has a child or a grandchild or some other kiddie dear to his heart. Present the youngster with a Victory Bond. Arrange with his parents that each half year's interest, as it is paid by the government, shall be deposited to the youngster's account and allowed to accumulate. Then, when he is 25 (if he is five at present) he will have \$250 for every hundred dollars you invest for him now.

How handy it will come in for the young man starting upon his career, and how green and fresh it will keep the memory of dad or granddad, or whoever the donor may be. Or, if the little loved one is a girlie, how acceptable it will be for the trousseau in days to come.

There is no investment like a Victory Bond. "It blesseth him that gives and him that takes."

THE LEISURE CLASS.

Professor G. W. Wrong, of Toronto, has courage. Speaking before the Women's Canadian Club, of Toronto, recently, he said that women had not been educating themselves along political lines, and as they represented the nearest approach to a leisure class in Canada, if problems were served as they should be, they must do some very grave and earnest thinking. The nearest approach to a leisure class! What do the women of Canada say to that? The great majority of them are under the impression that women's duties compel them to be the nearest approach to perpetual motion yet discovered. Man works from sun to sun, but woman's work is never done, has found favor for many years as a solemn truth, more or less poetically expressed. Perhaps Professor Wrong has been misreported or added something to his remarks which does not appear in print. The fact that he was given a vote of thanks and that there was no bloodshed, lends force to this supposition.

It is announced that the Union Government will in future control the output of packing houses and convert to the country's use all profits over 15 per cent., and one-half of the profits over 7 per cent. The government should do more than that; it should compel Sir Joseph Flavelle to disgorge the \$3,000,000 which his company has reaped in profits during the last three years on bacon sold to the Imperial authorities.

Mr. R. B. Bennett, a former New Brunswicker, who cut quite a figure in the last parliament, is not a candidate for re-election. He is said to have a dislike for the railway policy of Hon. Arthur Sifton, and is taking no active part in behalf of the Union Government. His attitude is said to have provided much criticism in northern Alberta.

The only candidate to secure an election by acclamation in the Maritime Provinces was Hon. W. S. Fielding. The whole country is to be congratulated on Hon. Mr. Fielding's re-

turn to public life. He was Premier of Nova Scotia for fourteen years and Finance Minister of Canada for fifteen years. He is one of Canada's foremost parliamentarians and will be in a position to render valuable service to the country at the present time.

Capt. William Wells was nominated on Monday as the Conservative candidate in Guysboro. The nomination was previously tendered by wire to Mr. C. E. Gregory, who is now in Regina, and accepted by him. Mr. Gregory belongs to a well known Fredericton family. There is no explanation as to why he was not officially nominated.

Mr. A. E. McMahon, who was nominated as the Liberal candidate against Sir Robert Borden in Kings, N. S., dropped out at the last moment and was succeeded by James Sealey.

Detroit Free Press: Russia wonders what the British navy was doing while the German fleet was out in the Baltic. We don't know, but we'll bet the officers were not out dickering for a shameful peace with the enemy!

Hon. C. W. Cross, Attorney General of Alberta, predicts that the Laurier Liberals will get seven seats in British Columbia and the Yukon, eight in Alberta, seven in Saskatchewan and five in Manitoba.

Dr. Dugald Stewart, Conservative Unionist in Lunenburg, N. S., retired from the contest at the last moment and was replaced by Mr. J. W. Margeison, M. P. P.

Sir George E. Foster is seeking re-election in his old constituency of North Toronto. His opponent is J. A. Young, Liberal.

Hon. Bob Rogers, who was known as the bad man of the Borden government, is not a candidate for re-election.

WILL VISIT THE FIRING LINE

(St. John Globe.)

Union government is favored by His Lordship Bishop Richardson, who preached Sunday morning at St. John's (Stone) church, and in the evening at Trinity, to large congregations. He said every thinking man should support the new administration. At the evening service the Bishop spoke of his approaching visit to the front, explaining that he was going overseas at the request of the House of Bishops. The government had offered facilities to representative religious bodies to send a visitor to carry a message of appreciation and support to the men on the firing line and to see for themselves the conditions under which the men live in camp, in billets and at the front. The Methodists had sent Dr. Chown, the Presbyterians were sending the Moderator of the General Assembly, and the Bishops had selected him to carry the message of the Church to the many thousands of Church members in Canada's army, and he had accepted the mission as an important sacred duty. On Sunday afternoon Bishop Richardson addressed the Brookville congregation.

CRITICIZES THE WAR LOAN FILMS

St. John, N. B., Nov. 16th

Editor Mail, Fredericton:

Dear Sir—The following was published in the Ottawa Citizen of November 7th, 1917.

"It is regrettable that if the moving picture film is to be utilized on behalf of the coming Victory Loan, it could not have been employed better than in depicting an attractive young lady inquiring of the minister of finance why the loan was necessary, and the minister explaining to her the reasons of the issue, and winding up with the heroine buying bonds. Such, in outline, is the War Loan film and from this description it evidently runs a close second to the film supposedly devoted to food conservation and which shows the Canadian Food Commissioner busy in his office writing letters until interrupted by a messenger boy with a telegram, which turns out to be an appeal from Lord Rotherdam urging Canada to do her bit. Our Food Controller is shown smilingly answering this, to the effect that we will be right on the job. Would it not be better to get some action into films of this kind or leave them strictly alone?"

From what I heard, neither of these films was made by Canadians, so I believe that the patriotic Canadians who are at the head of film distribution in Canada should be asked to submit real Win-the-War loan and food films.

Thanking you for publishing the above, I remain, Yours very truly,
JAS. B. FRASER.

PRESENTATION TO DOW BREWER

Marysville, Nov. 21. — A number of friends of Pte. Dow Brewer of the 8th Field Ambulance, now stationed at St. John, tendered him an enjoyable surprise party at the home of his parents, Mr. and Mrs. Herbert Brewer, last evening. The evening was spent with participation in games, music and other diversions, and a thorough good time was had by all. A pleasing feature of the affair was the presentation to Pte. Brewer of a fountain pen. The presentation was made by Mr. E. S. Pettigrove accompanied by a few remarks expressing regret of his intended departure to serve King and Country and with best wishes for his safety and speedy return. These remarks were suitably replied to on behalf of Private Brewer. During the evening light refreshments were served.

Captain J. W. Walker's team were the victors in a game with Capt. Clayton's team last evening, winning the three strings, and Capt. J. Osborne defeated Capt. Dolphin.
