**DYSPEPSIA**

MOST DIFFICULT TO CURE  
BUT B. B. B. DOES IT.

Dyspepsia is one of the most diffi-  
cult diseases of the stomach there is  
to cure.

You eat too much; drink too much;  
make the stomach work overtime. You  
make it perform more than it should  
be called on to do. The natural result  
is that it is going to rebel against the  
amount of work put on it. It is only  
a matter of time before dyspepsia fol-  
lows:

That forty-year-old remedy, Burdock  
Blood Bitters, will cure the dyspepsia,  
and will cure it to stay cured, as we  
can prove by the thousands of testi-  
monials we receive from time to time.  
Mr. Neil A. Cameron, Kiltarlity, N. S.,  
writes: "I am writing you a few  
lines to tell you that your great medi-  
cine Burdock Blood Bitters has done for  
me. I was troubled very much with  
dyspepsia for the past two years. I  
was recommended all kinds of medi-  
cines, but they did not help me any.  
At last a friend advised me to try a  
bottle of B.B.B. I took four bottles  
and was totally cured. I will gladly  
recommend it to all sufferers."

B.B.B. is manufactured only by The  
T. Milburn Co., Limited, Toronto, Ont.

Diner—I'd like a juicy, tender steak,  
medium done, with a lump of fine but-  
ter on top. Walter—That would be  
very nice, sir. And now what will you  
have?

Friend—You are not going to run  
again? Congressman—No; it's too  
strenuous. I was sent down to Wash-  
ington to look out for my constituents  
and from the tone of their tone of their  
letters I've got to look out for them  
when I get home.
