ed that Monday, the 4th day of June

AFTER DOCTORS FAILED

A Well Known Resident of Port
Hawkesbury is Restored to
Health and Strength.

One of the best known men in the
town of Port Hawkesbury, N. S., is
Mr. William Duff. He has been a mem-
ber of the municipal council for 16
years, chairman of the school board,
and held other responsible positions.
Mr. Duff's words, therefore, can be
taken as coming from a man who has
the esteem and respect of his fellow
townsmen. He makes no secret of the
fact that he believes Dr. Williams' Pink
Pills saved his life and that they
restored him to good health, after sev-
eral medical men had failed to cure
him. Mr. Duff tells of his illness and
cure as follows: "About four years
ago I was attacked with la grippe
which left me in a condition difficult
to describe. I was attacked with gen-
eral weakness, and a constant dull
pain in the stomach. I became so weak
that I could not walk a hundred yards
without sitting down to rest. The food
I ate continually soured on my
stomach. My nerves were all gone,
and palpitation of the heart and a flut-
tering sensation all through my chest,
especially at night was almost un-
bearable. I was finally compelled to go
to bed, and called in a doctor, who said
my heart was affected and treated me
for that trouble. After three months
attendance and feeling no better, I
called in another doctor. His treat-
ment also failed to help me, and I
tried a third doctor. This one said
there was nothing wrong with my
heart, that the trouble was due to my
stomach. After treating me for a time
he advised me to go to the hospital at
Halifax. On a previous occasion when
I had an attack of rheumatism I had
been cured by Dr. Williams' Pink Pills,
and I decided that rather than go to a
hospital I would again try this medi-
cine. I got a supply of the pills and
began taking them. In a few weeks I
could feel my strength returning, my
stomach was giving me less trouble,
the palpitation of the heart disappear-
ed, and after a further use of the pills
I felt as well as ever I did in my life.
I can truly say that I feel more thank-
ful than words can express for what
Dr. Williams' Pink Pills have done
for me."

You can get these pills from any
dealer in medicine, or by mail at 50
cents a box, or six boxes for \$2.50
from The Dr. Williams' Medicine Co.,
Brockville, Ont.

sired) from Cochrane to Canadian Gov-

enable passengers for western points
to inspect the famous "Clay Belt" of

ing country opened up by the new line
of the Canadian Government Railways.
Those interested will be forwarded

ritory.

**Sure! High Heels
Cause Corns But
Who Cares Now**

Because style decrees that women
crowd and buckle up their tender toes
in high heel footwear, they suffer from
corns, then they cut and trim at these
painful pests which merely makes the
corn grow hard. This suicidal habit
may cause lockjaw and women are
warned to stop it.

A few drops of a drug called free-
zone applied directly upon a sore corn
gives quick relief and soon the entire
corn, root and all, lifts out without
pain. Ask the drug store man for a
quarter of an ounce of freezone, which
costs very little, but is sufficient to
remove every hard or soft corn or cal-
lus from one's feet.

This drug is an ether compound and
dries in a moment and simply shrivels
up the corn without inflaming or even
irritating the surrounding tissue or
skin. Clip this out and pin on your
wife's dresser.

Too Much Sentiment

Eight-year-old Jack was a handsome
youngster. Naturally all the ladies who
saw him wanted to kiss him, but Jack
was not old enough to appreciate his
privileges. One afternoon several
friends of his mother called, and they
all kissed him. Later on he went to the
pictures, and instead of his pet cow-
boy scenes the films were all of a
sentimental nature. Young Jack re-
turned home pretty well tired of the
whole tribe of women. To cap the
climax his mother said to him that
evening when he was sent to bed:
"Give mother a kiss, dear."

Jack looked appealingly toward his
father and said:

"Dad, for goodness sake, kiss this
woman!"
