## OF INTEREST TO WOMEN.

### SAVE THE BREAD.

The Housewife is Warned to Save Every Bit.

Why keep little bits of bread? Because every cupful of dried bread saved and used saves a cupful of some kind of flour. To buy boxes of cracker meal for scallops is an inexcusable extravagance.

Save every crust, every bit of clean bread. Dry them and roll them or put them through a meat chopper, and keep them in glass or tin boxes.

Here are some of the things you can do with them:

#### Bread Crumb Muffins.

One cup of bread crumbs; 1 cup of flour (white or whole wheat); 1 egg, 1 tablespoonful of sugar, 1 teaspoonful of salt, 1 cup of milk, 1 tablespoonful butter, melted; 3 level teaspoonfuls of baking powder. Bake about half an hour.

#### Bread Giddle Cakes.

One and a half cups bread crumbs, 1½ cups of scalded milk, 2 tablespoonfuls of butter, 2 eggs, half a cup of flour, half a teaspoonful of salt, 3½ teaspoonfuls of baking powder. Soak the bread in the warm milk with the butter and when cool add the other ingredients.

#### Cheese Fondue.

Soak one cup of bread crumbs 15 minutes in two cups of heated milk. Add 1 tablespoonful of butter, 1 teaspoonful of salt, 2 eggs beaten light and a quarter pound of grated cheese. Pour into a buttered dish and bake, covered for 15 minutes, uncovered for ten minutes and serve at once. A dash

### SHERIFF'S SALE.

There will be sold at public auction in front of the Court House in the city of Fredericton in the county of York, and Province of New Brunswick, on Wednesday, the seventeenth day of tober A. D. 1917, at the hour of twelve o'clock, noon, under and by virtue of an execution issued out of the York County Court, the 26th day of February, A. D. 1917, in an action wherein Harry Ryan is plaintiff and J. Fred Ryan is defendant, all the right, title interest, possession, claim and demand which the said J. Fred Ryan had on the 27th day of February, A. D. 1917, being the date on which the memorial of said judgment was registered in the office of the Registrar of Deeds, in and for the said County of York, or now has in, to, out of, or upon the following described lands and premises; that is to say:

"All those certain lots of land and premises situate and being in the Parish of Kingsclear in the County of York aforesaid and distinguished as lots Number 11 and 12 on the plan of sub-divisions of the tract of land known as the McNally property, which said plan was made by A. E. Hanson, deputy land surveyor, dated the fourth day of January, A. D. 1913, filed in the office of the Registrar of Deeds, in and for the County of York, bearing official number 41 and being a portion of the property deeded by the New Brunswick and British Colonization Company, Limited, to the said J. Frederick Ryan by deed dated May 26th, 1913, recorded in York County records in Book W-6, p. 21. For terms of sale and further particulars apply to solicitors for the plaintiff or the undersigned sheriff.

Dated the thirteenth day of July, A. D. 1917.  
(Sgd) JOHN B. HAWTHORNE, Sheriff in and for the County of York.

SLIPP & HANSON,  
Plaintiff's Solicitors.

of cayenne pepper may be added.

#### Other Uses for Bread.

Bread crumbs are excellent if used as thickening for soups, gravies, for stews and tomatoes. We all use them for rolling croquettes in, but have you used them for stuffing peppers, with a bit of chopped meat? Did you ever make a veal loaf or a salmon loaf, with bread crumbs to hold the whole together? Hamburger steak, with one-third as much bread crumbs as steak, well seasoned with onion, pepper and salt, is good when hot and delicious when sliced cold.

You may as well get used to the idea that every bit of food value must be conserved. Even those who have lots of means may find the markets short of things that they have been used to taking as matters of course.

# The Crisis!

Untold sacrifices are being made in defence of the world's liberty, assailed by the Hun, who declares he fights for "existence." Let us not forget that other crisis in which the fate of the dread Liquor Traffic, subdued just now by the necessities of war, is also fighting for existence.

Prohibition must be impregnable fortified now by means of proper enforcement in readiness for the struggle to come when Prohibition must be finally ratified or lost by the votes of the people in many provinces, including New Brunswick.

Alberta, Saskatchewan, Manitoba, Ontario, Nova Scotia and New Brunswick have adopted Prohibition during the war. Prince Edward Island has enjoyed its benefits since 1901. The great majority of districts in Quebec are "dry." That is the situation to-day, but remember, the crisis comes after the war.

The total value of foodstuffs destroyed by the liquor traffic in 1916 was approximately \$4,244,090.22. Add to this the immense waste of transportation facilities, clogged and hindered by carrying the grain to destruction, and again conveying the product of the breweries and distilleries to make precious men less efficient in this solemn hour!

## Ontario's Splendid Record

Since September 16, 1916, Ontario has enjoyed good enforcement of Prohibition in all but a few districts. Not the most daring anti-prohibitionist hopes for a return of the curse of the traffic in Ontario. Here are some figures showing results in Ontario's largest cities for the last three months of 1915 and 1916:

### ARRESTS FOR DRUNKENNESS

|           | Under License 1915 | Under Prohibition 1916 |
|-----------|--------------------|------------------------|
| Toronto   | 2,908              | 953                    |
| Ottawa    | 286                | 234                    |
| Hamilton  | 498                | 61                     |
| London    | 367                | 144                    |
| Brantford | 152                | 16                     |

Note.—"It will be noted that Ottawa has not much reduction in arrests for drunkenness. It is perhaps strange that it should show any reduction in the drunkenness record, inasmuch as it is separated only by the river from the license city of Hull."—PIONEER, Toronto.

Whether your district be under the new Provincial Prohibitory Law, or under the Canada Temperance Act, help us to arouse the full force of public opinion for vigilant enforcement of province-wide Prohibition.
