CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of *Charles H. Fletcher* and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. OF INTEREST TO WOMEN**CHINESE INFLUENCE.**

The Chinese influence has been strongly felt in house decorations for some time, and the modified forms are particularly good. With this in view an interesting drapery has been made which, although distinctively Chinese, is influenced by the second period of the Chippendale development—when that designer was adapting his furniture to the Chinese inspirations of Sir William Chambers.

This fabric comes with a background in black or dark blue, with naturalized green and gold figures in a small design of birds and locust trees.

As the price of metal is so exorbitant, the weavers have found a substitute which gives the effect of dull gold. It is a wooden fibre which does not tarnish, a most admirable feature, and is used in many attractive designs.

The richest and most formal draperies are developed in metals and heavy silks. They combine gold and black.

A HINT TO KNITTERS.

When winding yarn from the skein to the ball, use a small one-ounce vial. Put the end of the yarn into it, and put in the cork, wind the yarn on the phial and as it is being covered, push the cork end out a little. Fasten the last end of yarn by slipping it under a few strands. Pull out the vial and with it comes the cork and also the end of yarn, with which to begin knitting.

One hundred and fifteen women track walkers now are wielding picks, shovels and crowbars, maintaining the roadbed of the Pennsylvania railroad between New York and Pittsburgh.

**UGH! ACID STOMACH,
SOURNESS, HEARTBURN,
GAS OR INDIGESTION**

The moment "Pape's Diapepsin" reaches the stomach all distress goes.

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic, let this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. "Pape's Diapepsin" is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as "Pape's Diapepsin" comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made, by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorders.

By this method, the ball does not roll out of reach and the yarn is never tangled.

RAINBOW JELLY.

Take three different kinds of juices that when boiled will make three pretty colors. First take apple juice and make a jelly glass one-third full of jelly. Then take raspberry or some other rather dark colored jelly, and fill glass another third. Let cool, then fill with peach, quince or a light color. It takes no longer than other jelly.

HELPFUL HINTS.

Keep a piece of art gum or a perfectly clean eraser on hand for the removal of spots from white gloves.

Creamed scalloped salmon can be made delicious by silvered green peppers, ripe olives and English walnuts.

To get rid of the objectionable smell of cabbage when cooking, put a piece of charcoal in the second water.

A spoonful of flour added to the grease in which eggs are to be fried will keep them from sticking to the pan.
