DORCHESTER BY-ELECTION.

The following resolution was unani mously adopted at the Liberal Conven tion which was held at Ste. Henedine on January 16th, 1916:

"This convention of Liberal elec "tors of the county of Dorchester ap-"proves the attitude of Sir Wilfrid "and expresses in him entire confi-" dence.

"They regret the disloyal fight that " was fought against him in 1911 and "deplore above all the anti-patriotic "and anti-Canadian attitude of their "former member, Hon. Mr. Sevigny, "during the course of , that electoral " campaign.

"The turnover and volte face of Mr. "Sevigny since his election does not "inspire them with any confidence. " "They declare in consequence that

"they cannot ratify his choice as ad-"viser to His Majesty in the terrible " crisis through which Canada and the "Empire are passing today.

"They declare, morevover, that they "have no more confidence in the gov 'ernment of which he is a member.

"They have decided in consequence Mr. Lucien Cannon.'
