

DAYLIGHT SAVING STOPS TOMORROW

ATLANTIC STANDARD
TIME RESTORED AT 2 A.M.

Daylight Saving Has Been Generally Approved—The Long Summer Evenings Much Appreciated.

Daylight Saving Time which has been in effect since Sunday, April 14th will be changed at 2 a. m. tomorrow and the ordinary Atlantic Standard time will be restored. There is much discussion concerning the proper method of changing the clocks. Many say that clocks should not be put back one hour but that they should be turned eleven hours ahead. Others say that they can be turned back with out any bad luck.

Mornings Now Dark

With the advance of autumn the coming of light in the morning is later and later. This works against Daylight Saving as the longer period of light in the evening is balanced by the shorter period in the morning. With the restoration of Standard time darkness will come sooner in the evening.

No Hardship Worked

The adoption of Daylight Saving has worked no hardship on any person and after being in effect a few days was hardly noticeable. The long summer evenings were greatly appreciated by those who worked in gardens and outdoors and also made possible a great saving in artificial light. In some sections of the country the farmers refused to adopt the new time and went by the old.

One Drunk Arrested

The police report one drunk arrested last night and lodged in a cell. He was let go on deposit.

A Big One

Mr. John R. Jewett of Island View had two hind quarters of a spring lamb in the market this morning which weighed fourteen pounds each.

Improving Rapidly

The condition of Miss Annie F. Kirke who was operated on at Victoria Hospital for appendicitis a short time ago is rapidly improving.

Death at Burt's Corner

Mr. John Jones of Burt's Corner passed away at his home last evening after a short illness of pneumonia. Mrs. Jones who has been ill with pneumonia is reported to be improving.

Open Air Service

Rev. Geo. M. Young has returned from the Methodist General Conference, and will hold a service for twenty minutes on Sunday morning at eleven o'clock, outside the Methodist Church, weather permitting.

Saw Moose on Road

Mr. R. G. Smith of Margerville who was in the market this morning states that while coming to the city he met several large cow moose on the road. He saw only one bull moose which quickly disappeared upon his approach.

Influenza in Kingsclear

Influenza is reported to be prevalent in the parish of Kingsclear. In the family of Coun. Tabor Everett all members but the councillor and his uncle have the disease. Other families are similarly affected.

Almost Walked Into River

On Thursday evening two citizens prevented a returned soldier from walking into the river at the Temple Landing. The soldier seemed bewildered. On account of drugging operations some years ago the water close to the shore at that point is very deep and a man walking into the water would soon find himself beyond his depth.

Called Home on Account of Sickness

Miss Helen E. Lindsay, daughter of Mr. Andrew Lindsay of this city, who has been practising nursing in Boston and vicinity for the past year has been called home on account of sickness in the family of her uncle Mr. Newton Lindsay, Brunswick Street. Miss Lindsay completed her course of training in the Framingham training hospital last fall. Before coming home she handled a number of cases of Spanish Influenza.

Week-End Market

There were a large number of teams collected at Phoenix Square this morning in spite of the rainy weather. Meat was plentiful this morning, veal, lamb, beef and pork being on hand. Lamb sold for \$1.25 to \$2.50 a quarter, veal 22 cents a pound, pork 24 cents a pound, beef 14 cents by the hind quarter, butter at the usual price 45 to 50 cents, eggs 55 to 60 cents a doz., potatoes \$3 a barrel, carrots \$2 a barrel, turnips \$1.20 a barrel, apples \$1.75 to \$2.75 a barrel.

Death at Burton

The death of William Crawford at the age of eighty-four years occurred last night at his home in Burton. The deceased was a well known resident of that locality. He is survived by a widow three daughters and three sons. The daughters are Mrs. Fannie Short of St. John, Mrs. Harry Andrews of Bath, Me., and Mrs. Joseph McAfee of Portland, Me. The sons are Reuben at home James and John in Maine and Alexander of Millinocket, Me. The funeral will take place at one o'clock Monday afternoon with interment at the Court House Cemetery.

VICTORY LOAN CANVASS WILL START MONDAY

ORGANIZATION HAS
BEEN COMPLETED

Literature Distributed and Posters Displayed All Over the District—City and York Co. Covered.

The Victory Loan canvassers are out today and on Monday will begin their work. The final arrangements are under way and everything is in preparation for the monster drive which will start on Monday. The posters sent out by the Committee are proving a great attraction to the feature loving public. They have been set up in windows of stores and in stations. The Boy Scouts of this city have proved how handy they are by distributing the Victory Loan literature to the private houses of the city. Everything has been seen to and good results are expected by the committee. The salesmen for the different districts are given as follows:

York County

Kingsclear, Poll No. 4, Walter Jennings and Geo. McKnight.
Manners Sutton, Polls No. 5, 6, 7, T. Wilbert Coburn.

INFLUENZA CLAIMS INDIAN VICTIMS

FOUR DEATHS ON THE
RESERVATION AT DEVON

Cases Reported in the City Total 505—Many Cases Among Indians on the Reserves.

Secretary George Y. Dibblee of the Fredericton Board of Health stated this morning that he believed that the height of the epidemic of influenza in Fredericton had been reached and that there would be a decrease in the number of cases. He based his belief upon the fact that the daily reports of the physicians contain fewer names as time goes on.

More Than Five Hundred

Over five hundred cases have been reported to the Board since the outbreak of the disease. The total number of cases up to 3 p.m. today was 505 of which nineteen were in the Military Hospital. Pneumonia developed in 83 cases. Thirteen deaths resulted in the city.

Serious in Geary

Word has been received that the situation in Geary and neighboring places is serious. Many entire families are down with the disease. No physician is available and it is likely that the Department of Health will be asked to provide a physician and nurses.

Four Deaths on Devon Reserve

Two deaths occurred last night at the Indian Reserve at Devon, two of Joseph Acquin's family dying from pneumonia. They were a daughter sixteen years old and a son nineteen years old. They were buried this afternoon. The mother and one child died the first of the week from the disease making four deaths in the one family.

Indian Agent B. J. Griffiths is doing all within his power to allay the sufferings of the sick people.

On Other Reserves

Mr. Griffiths reports that there are forty or fifty cases at the reserve in Devon mostly influenza but also a number of pneumonia cases. There are fifteen cases at the Oromocto Reserve and about the same number at French Village. Two families are down with the disease at Hampstead.

Using School as Hospital

The school at the Devon Reservation has been fitted up as a temporary hospital.

Went With N. B. Battalion

Among the Canadians who recently won the Victoria Cross are Corporal Herman James Good and Private John Bernard Croak both of New Brunswick. In giving this information to the public a mistake was made in certain publications at least, in saying that Corporal Good and Private Croak belonged to Quebec regiments. It may be pointed out that Good went overseas with "C" company, 55th Battalion. He belongs near Moncton. Corporal Good received the Victoria Cross for conspicuous bravery and ability in leading his men. Private Croak got the Victoria Cross for most conspicuous bravery in attack. So far as is known they are the only two New Brunswick men to receive the Victoria Cross in this war.
