DROCOURT-QUEANT LINE PIERCED BY THE BRITISH

Canadian and British Troops Participate in Fierce Fighting---Thousands of Prisoners Captured---The Huns Putting Up a Stubborn Resistance---More Towns in Flanders Captured by the British

With the British Army in France, Sept. 2—The British have pierced the Drocourt-Queant line. In a fierce battle since dawn and which will probably prove to be one of the most important of the war, Canadian and English troops, at last reports, had at one point driven in about five kilometres and were still going. The fighting was as furious as any since the war began and increased in violence as the British battled their way forward meeting the ever-growing resistance of the enemy, who had put in every available man and was rushing up reserves at the rear.

Thousands of prisoners have been captured, the roads to the British rear are literally jammed with them.

There has been fierce fighting in Dury, which has been taken by the British, and Mount Dury, which the Germans held in great strength was stormed. The British went on after killing enormous numbers of the enemy. The Germans died fighting. Cagnicourt Wood and Cagnicourt have been captured, and Bois De Bouche, to the southeast, is reported also to have been captured.

The Flanders Line

Further advances in Flanders were made today by the British. They captured the towns of Estairs four miles east of Merville, and Steenwerck, three miles southeast of Bailloul.

With the British Armies in France Sept. 2—The Americans have passed through Voormezele in an easterly direction, overcoming stiff enemy resistance.

"Extensive Possibilities"

The British attack launched south of the Scarpe river early this morning had as its jumping off place the positions close to the German defences reached several days ago. A furious battle, involving extensive possibilities, is in progress.

Germans Counter-attacking

London, Sept. 2—Counter-attacking heavily, the Germans today drove Haig's troops out of the Bois De Vaux to the east of Vaulx-Vraucourt, which the British had occupied in the morning.

Another attack was launched by the British this morning in the region north of Peronne. The Australians captured Peronne on Sunday.

Le Transloy Carried

London, Sept. 2—British troops today captured Le Transloy, southeast of Bapaume, and took the whole of St. Pierre-Vaast Wood. Considerable

progress was made by Field Marshal Haig's forces on the whole thirty-three mile front between the Scarpe and the River Somme.

The Drocourt-Queant Switch line was broken in two on a six-mile front. Many prisoners were captured by the British.

Boring Through Wire

The American troops reached the embankments of the Bethune-Soissons roadway late Sunday night by literally cutting their way through acre after acre of barbed wire—the work of two great armies. In gaining the road, the Americans passed over great open places consisting of an immense network of wire.

The first wire entanglements had been strung by the French. Then the Germans came along and for their own protection erected an additional wire system.

PATHE NEWS.

JEWISH NEW YEAR BEGINS ON SEPTEMBER 7TH

Rosh Hashanah, the Jewish New Year, also called Yom Hazikoron, the "Day of Memorial," falls this year on Saturday, September 7th. The Jewish people of this city will hold their services as usual, beginning on Friday, the 6th, at sundown, or from about 8.30 to 9.30. On Saturday night a service will be held from 8.30 to 9.30 and on Sunday morning service will be held from 8 o'clock till 12.20. There will also be services held on Sunday afternoon. A local gathering of Jews is expected and also some from outside districts.

The young and old alike will take part in the services, which will be conducted by Rabbi Hains.

The Jewish New Year is one of the important Jewish holidays and festivals. Where these services will be held is not yet decided.

This custom grew out of certain complex conditions in the calculation of early rabbinical times and the practice, once established, has been kept up by them, even though the original reason no longer obtains. The Reform Jews observe only the day scripturally prescribed. The date of Rosh Hashanah is the first day of the month of Tishri and the new year now to be ushered in is, according to the traditional Jewish Calendar, the year 5678.

Not a Holiday.

Unlike January 1st, Rosh Hashanah has been fully able to resist secularization. It is in form and spirit a holy day distinctively—not a holiday. Solemn services characterize its observance both evening and morning. It is a time dedicated to retrospection, introspection and resolutions for the future. The day bears the special designation of Yom ha-Din, or a day of judgment. With quaint mysticism the old tradition represents the souls of men as being on this day before the divine tribunal at the annual assizes on high. The great Recording Books lie open, and the individual destinies are set down (and this is the significant element in the conception) the award in each given case must be sealed by the person himself; meaning thereby that, though the varying issues of the New Year proceed from God's providence, good year."

LABOR DAY

and were well satisfied that they had left the majority of their earnings on the ground.

Lots of Music

The Fredericton Brass Band rendered some excellent music and as the crowd was a good one and liked the music they went over and spent their money. The gate prize was won by number 1938 but has not been claimed yet. The punch boards have not yet been filled so no announcement can be made concerning them. The band played for a dance in the drill hall which was largely attended and the gathering then broke up in the wee sma' hours.

TORONTO WON THE PENNANT

(Canadian Press direct wire.)

Toronto, Sept. 2.—The end of the race for the pennant in the new International League today, when Toronto captured it, making it the second year in succession that a Toronto baseball team has won the premier honors of its league, was probably one of the closest races of the kind that has ever been staged. They won in the morning by four to one, and in the afternoon by 5 to 4.

Mr. E. F. Parks of Milltown was registered at the Queen Sunday. Hon. D. E. A. Smith, Minister of Lands and Mines, is at the Queen. Mr. Charles K. Palmer and family spent the holiday in St. John, making the trip by motor car.

no one's future is determined apart from what he himself is and does. Out of the above conception has grown up the familiar greeting interchanged by Jews on Rosh Hashanah, namely, "Ieshonah tovah ti-kasevu," meaning "May you be inscribed for a Year proceed from God's providence, good year."
