## MANY ARTICLES OF FOOD TO GO ON THE FREE LIST

Government Will Attempt to Meet the Situation Caused by the High Cost of Living--Reciprocity With the United States on Many Articles is Talked of--Potatoes Likely to be Free.

Ottawa, Jan. 6. — In order to meet the food shortage and high cost of living problem which promises to become even more acute than at present in consequence of the urgent demand of the Allies for more food from Canada and the United States, there is likely to be a real pooling of food resources on this continent with free trade in foodstuffs.

There is already free trade between Canada and the United States in wheat and wheat products. Potatoes will probably be the next staple to be added to the list with other food staples included as economic conditions of production and marketing are considered and adjusted. The whole question, it is understood, is under consideration by the Ottawa and

Washington governments and their food control departments.

The Liberals in the Union government, of course, are already committed to free trade in foodstuffs, and no what an election is over and "politics" are dropped, the Conservative members of the cabinet, it is said, are falling in line with the policy which they opposed in the last parliament, but which the altered economic and political conditions now make both easy and popular.

The prospective action will probably not be taken for some time yet, pending further consideration of the whole problem by the full cabinet council until Sir Robert Borden's return next Wednesday, and pending also further negotiations with Washington. But it is fairly certain that there will be a letting down of the tariff bars on food products and a natural and economic pooling of Canadian and United States field crops making for cheaper living and better marketing conditions.

War necessities, Union government, a one-party western representation in parliament, and the appearance of the United States as an ally rather than a rival of Canada, now clear the way for the reciprocity which was defeated in 1911, for causes political rather than economical.

## "CASCARETS" FOR A COLD, BAD BREATH OR SICK HEADACHE

Best for liver and bowels, for biliousness, sour stomach and constipation.

Get a 10-cent box now.

Furred Tongue, Bad Colds, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing, too.

Our fixed belief is that the jewel of civilization shall not be lost to the world."

"We congratulate ourselves that you can say the efforts of the imperial Japanese navy have contributed toward the accomplishment of this great end. May the co-ordinated devotion of the peoples engaged in the titanic struggles against the organized forces of inhumanity and deceit come speedily to a full fruition."

what may be the result of cold in a wound or skin injury. Cold very soon sets up inflammation and festering, and unless Zam-Buk is promptly applied blood-poisoning may follow. Scratches even necessitate a dressing. Zam-Buk will safeguard you against such serious possibilities.

Miss Belle Grant, of Brazil Lake, N.B., writes: "I burned my hand badly and then accidentally caught cold in it. The pain I suffered was terrible and the wound was badly inflamed and festering. I tried different kinds of ointments, but nothing brought relief. I was by this time suffering so that I could not sleep at all, and I feared blood-poisoning was setting in."

"Zam-Buk was recommended to me, and I commenced applying it. Before long I experienced the greatest relief; it drew out all the inflammation, the pain was ended and I could see the sore place was gradually healing. Perseverance resulted in a complete cure. Zam-Buk is certainly a wonderful balm and should be in every home."
