LORD SHAUGHNESSY,

Who has retired from the Presidency of the C. P. R.

Montreal, Oct. 10.—Lord Shaugnessy remains chairman of the C. P. R. company. E. W. Beatty is now president.

At a meeting of directors held in Montreal today, Lord Shaugnessy, after twenty years of office, retired from the presidency of the Canadian Pacific Railway, although still retaining from the position of chairman of the company, so that while relieved of executive duties he will continue to serve with his counsel and experience.

This change is due to Lord Shaugnessy's conviction that in view of the extensive programme planned by the Canadian Pacific for the period of reconstruction after the war, the best interests of the company would be served if a younger man were to assume the active direction of so large and complete a system, although several years older than either of his predecessors were at the time when they retired from the presidency, he decided when the war broke out to carry on till the financial horizon should lighten. Now, however, he feels less hesitation in handing over the executive responsibilities to a successor, especially to one who has such intimate knowledge of the affairs of the company, who has shown notable administrative ability, and who enjoys to a marked degree the confidence not only of the political and business leaders of Canada, but also of the employees of the Canadian Pacific Railway itself.

Mr. E. W. Beatty, the new President, has been vice-president and general counsel and also a director of the Canadian Pacific Railway Company for several years.

Sir George Bury, on account of ill health, is retiring from the position of vice-president and Mr. Grant Hall, who has been vice-president in charge of western lines, has been appointed in his place.

BREAKS A BAD COLD  
IN A JIFFY! TRY IT

You can end gripe and break up a severe cold either in head, chest, body or limbs, by taking a dose of "Pape's Cold Compound" every two hours until three doses are taken. It promptly opens clogged-up nostrils and air passages in the head, stops nasty discharge or nose running, relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and snuffing! Ease your throbbing head—nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only a few cents at any drug store.

BOMBS FOR

London, Oct. 9—"During the night twenty-three and a half tons of bombs were dropped on railways, two trains being derailed," says an official air report issued tonight.
