of water in the oven. When brown sugar becomes lumpy put the sack beside a bowl of water in absorbs enough moisture to soften it. in a double boiler if one has not a steamer.

A spoonge cake batter will beat up much lighter in a crock than in a granite teakettle.

Jelly may easily be paraffined by putting a piece of paraffin in the glass before the jelly is poured in. The paraffin melts, passes to the top, filtering he jelly.

How many housewives know the value of the old organ stool? It is one of my best helpers, not in the parlor but in the kitchen, where it stands out of the way, under the drain board. ready to be pulled out when I have ruit to get ready to can, tomatoes to skin for catsup, potatoes to get ready for meals, and a thousand odd jobs to do in a day. A twist of the hand and it is made high or low to suit the table or sink, and will rest your tired back while you work.

FOOD BOARD FLASHES FOR FEMININE FOLK

Help to harvest some of the wild Help to harvest some of the wild fruits that grow so abundantly in dif-ferent parts of Canada. There are certain districts in British Columbia, 'New Ontario and the Maritime Pro-vinces where stretches of land are almost literally carpeted with blue-berries. Then there are wild raspber-ries, strawberries, blackberries, etc. If you happen to live near a spot where wild berries abound, take the kiddies with you and go out and pick kiddies with you and go out and pick berries for all you are worth. The flavor of wild fruit is unexcelled. In some districts it would be quite All orders receive careful tention. All orders were careful at the various summer resorts might well help in the same way.

BE CURED TODAY OF BACKACHE

Your persistent backache can have but one cause—**Diseased Kidneys**— and they must be strengthened be-fore the backache can be cured.

HOUSEHOLD HINTS To remove stains of ink from books or engravings, apply a thin solution of oxalic acid, citric acid or tartaric acid. Any of these acids will remove the ink without harming the print in any way. To clean enameled tubs easily moist-en a cupful of table salt with turpen-tine and rub the tub with this. today.

The Annuel School Meeting of the Barker's Point school was held at the school house at eight o'clock last evening and the building was crowded Notwithstanding the disagreeable weather many women were present, a jar or air-tight bin and the sugar who took a keen interest in the affairs pertaining to the district. Mr. Henry A steamer pudding may be prepared Carman was elected chairman of the meeting.
