HUNS GETTING HARD KNOCKS FROM THE FRENCH TROOPS

The Bcches Lose Heavily in Men and Guns
---Driven Back by the French on a Front of Seven and a Half Miles---Several Villages Recaptured by the French---The American's Heartily Cooperating in the Good Work.

Paris June 11—The French have struck the Germans a hard blow along a front of about seven and a half miles between Ribescourt and St. Mour, recapturing Belloy, Genlis Wood and the heights between Courcelles and Mortemer.

American troops brilliantly carried Belleau Wood this morning taking 300 prisoners.

The official announcement by the war office tonight says the Germans suffered heavy losses and left more than a thousand prisoners and some guns in the hands of the Allies.

Several violent enemy attacks on Chevin Court were repulsed, but the Germans gained a footing in Macheumont and Bathancourt, which places are being bitterly disputed.

The text of the official statement follows:

"The battle continued today from Mont Didier to the Oise.

"On the left our troops supported by tanks, counter attacked this afternoon along a front of twelve kilometres, between Ribescourt and St. Mour, and despite desperate resistance on the part of the enemy, reached the southern approaches of Le Fretoy, captured the heights between Courcelles and Mortemer and carried our lines more than two kilometres to the east of Mery.

"We have also retaken Belloy and Genlis Wood and reached the southern outskirts of St. Mour.

"The enemy who suffered heavy losses, left more than a thousand prisoners and several guns in our hands.

Driven Back in Centre

"In the centre, the Germans who had succeeded in pushing forward to the south of Loge Farm and Anthouil, were driven back beyond these two points by our troops acting with concert with the adjoining units.

"On the right the enemy increased his pressure seeking to gain the Matz Valley. Several violent attacks launched against Chevin Court were repulsed.

The enemy succeeded in gaining a foothold in Macheumont and Bathancourt, which were bitterly disputed.

"South of the Ourcq River the American troops this morning brilliantly captured Belleau Wood and took 300 prisoners.

"Our day bombing machines continued operations on June 10 despite the bad weather against points of a more exposed nature on the battlefield. Airplane groups flying low dropped projectiles on enemy concentrations dispersing reinforcements and causing considerable losses.

"Certain squadrons made sorties, and during the day eight tons of explosives were dropped in this manner, giving the best results.

"On the night of June 10-11 the bombing of the enemy's rear areas was continued actively. Our escadrilles dropped twenty tons of projectiles on convoys, cantonments and railway stations, as well as on two munition depots. An explosion occurred in the region of Chaulnes, another in the neighborhood of Soissons. A fire also is reported to have broken out in the station at Fismes. On June 10 four German planes and one captive balloon were brought down by our pursuit machines.

Eastern Theatre, June 10—Spirited artillery activity occurred on both sides west of the Varda, particularly in the region of Srka Di Legen. In the region of Dobropolje the enemy after violent artillery attack against the Serbian positions, were repulsed, leaving prisoners in their hands. Southwest of Pogradetz French troops after a brilliant engagement occupied Crete, LaMia and the villages of Strelakasalas and Popcisti, capturing 140 prisoners, including two officers three mortars numerous machine guns and important food and munition supplies.

Battle During Night

Paris, June 11—The French morning statement follows:

"Late yesterday and in the night the Germans continued to exert pressure in the direction of Estrees, St. Denis and Ribecourt.

"On our left our resistance was effective. The Germans were able to capture neither La Playron nor Cour-

celes. The village of Mery was recaptured by the French at ten o'clock last night.

"The principal effort of the Germans was exerted along the front of Belloy and Marquellise. By a powerful attack delivered with a great number of effectives, the enemy succeeded in driving back the French to the vicinity of the Arond River, but by a magnificent return offensive French troops hurled back the enemy all along this front, re-establishing their positions on a line south of Belloy, at St. Mour, south of Marquellise and at Vandelicourt.

"On the right the French engaged in violent struggles in the wood north of Dreslincourt. The Germans, who had concentrated very heavy forces in this region were able to reach Antoval, compelling the French troops to withdraw their line of resistance to the west and south of Ribecourt."

MAKING YOURSELF WELL AND STRONG

You Can Improve Your Physical Condition by Keeping the Blood Pure

People with strong constitutions escape most of the minor ills that make life miserable for others. Don't you envy the friend who does not know what a headache is, whose digestion is perfect, and who sleeps soundly at night? How far do you come from this description? Have you ever made an earnest effort to strengthen your constitution, to build up your system, to ward off discomfort and disease? Unless you have an organic disease it is generally possible to so improve your physical condition that perfect health will be yours. The first thing to be done is to build up your blood as poor blood is the source of physical weakness. To build up the blood Dr. Williams' Pink Pills is just the medicine you need. Every dose helps to make new blood which reaches every nerve and every part of the body, bringing color to the cheeks, brightness to the eyes, a steadiness to the hands, a good appetite and splendid energy. Thousands throughout the country whose condition once made them despair, owe their present good health to this medicine. If you are one of the weak and ailing give Dr. Williams' Pink Pills a fair trial and note the daily gain in new health and abounding vitality. Among those who have proved the truth of these statements is Mrs. Fred Goslin, R. R. No. 2, Ruthven, Ont., who says:—"A few years ago I underwent an operation for a fibroid tumor. I had been ailing so long that I did not gain as the doctors said I should. I was in such a rundown condition that they said it would take me a very long time to recover. But instead of gaining, I was growing weaker, and the doctor said I must go to the hospital. I did not want to do this, and having often heard of Dr. Williams' Pink Pills as a strength builder I decided to try them. I was greatly surprised at the help I received from them. In three months I was able to go about, and our home doctor expressed his astonishment, as he had not expected me to recover believing pernicious anaemia, had set in. It took me about a year to recover by full strength, but ever since I have been doing my own housework, and have to give Dr. Williams' Pink Pills the praise for my present state of good health."

You can get these pills through any medicine dealer or by mail post paid at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

GOING TO U. S. ARMY.

Superintendent of Jordan Memorial Sanitarium Has Resigned.

Dr. David Townsend, Superintendent of the Jordan Memorial Sanitarium at River Glade, has resigned to accept an appointment with the rank of major in the United States army medical service.

He is subject to call at any time, but is remaining at the institution to give the commissioners an opportunity to select his successor before he leaves. Dr. Townsend came to New Brunswick in 1910 to supervise the sanitarium preparations and has been the superintendent ever since it opened in 1911. The commission in charge of the institution has been carrying on negotiations with an eminent specialist in tuberculosis in Ontario with a view to his appointment. This physician has been highly recommended and it is believed that he would be a worthy successor to Dr. Townsend.

Custard can be sweetened with honey.

You All Remember J. Warren Kerrigan

THE NOTED PORTRAYER OF WESTERN CHARACTERS.

In these roles he has probably been seen in almost every picture theatre in the U. S. and Canada. He returns to you after a long absence at the head of his own company, and will present, from time to time, a wide range of parts not confined to any special type. His first production is

"A Man's Man"

And a "Man's Man" he is, in this genuine red-blooded strenuous drama of Romance, Battle and Self-sacrifice.

The dramatic action of this photo-melodrama is as fast as the rattle of a rapid-fire gun, with a remarkable observance of detail in the scenic features, such as the Arizona Desert, the Engineers' Club in Denver, the Steamship dock at New Orleans, to a Central American Republic on the verge of a revolution, and there "Warren" comes into his own as "A MAN'S MAN."

No advance in prices for this special production.
