the moment it is applied and is said the same. Here, in the interpolation of the same. Here, in the interpolation of the same. Here, in the interpolation of the common cause, it is fit and proper that every citizen should exertise that a quarter of an ounce will cost of the common cause, it is fit and proper that every citizen should exertise that a quarter of an ounce will cost of conforming to the law kineself by the same of the conforming to the law kineself by

at a corn is a suicidal habit.

Unless citizens are assuming their of appreciation of the gravity of war individual responsibilities to the full in connection with the war and war inspiriation of the Canadian national work, they are literally and absolute- spirit, which is in this war with all its "passing the buck." This is a wes- resources of men, money and materi-

on to someone else. It is another say- clever to be an adept at passing the buck and, in the vernacular interpre Passing the buck in connection with tation of the phrase, the efficiency ex the vital needs of national service for pert was one who got others to work winning the war-enlisting, paying, for him. Today, however, half the saving, producing or working or es- world is fighting the other half in he sential work—is sliding out from the roic, though horrific, efforts to pre duties of real citizenship and complact serve liberty and civilization. In such ently seeing others do the necessary a crisis the individual citizen must things. Such an attitude of mind demonstrate his capacity to shoulder his resposibility in the fight. He can't be a vicarious citizen. He must do his full duty, not that he may be applauded by his fellows, but that be may possess an approving conscience. Citizenship in Canada today is a question of ethics. A man must search his soul and come to grips with the still small voice that tells him what is right and what is wrong. In that struggle every citizen will either win or lose his soul. He can't pass the buck

There are many ways in which citi are pestered with corns and who have at least once a week invited an awful death from lockjaw or blood poison victed of the imperative need of provinced needs to be a superior of the imperative needs of the imperative need to use a drug called freezone, which the moment a few drops are applied to any corn, the soreness is relieved and soon the entire corn, root and all, lifts out with the fingers.

It is a sticky substance which dries with food. And the moment of the moment of the moment of the point of honor scrupulously to obey all the regulations authorized by the government for the winning of the war with food. And the moment of the war with food. And the moment of the war with food. And the moment of the war with food and the moment of the war with food. And the moment of the war with food and war with food and the moment of the war with food and the moment of the war with food and the moment of the war with the moment of the moment o It is a sticky substance which dries with food. And they should insist that but is sufficient to rid one's feet of conforming to the law himself, but every hard or soft corn or callus.

Business transacted. also by seeing that every other citizen quested. You are further warned that cutting conforms, and unless all units in the commonwealth pass under the yoke

of the law, the national fabric may be threatened with destruction. It is everybody's business gladly to see that the full law is obeyed. No one dare pass the buck.

For instance, the government has passed an or .. r-in-council relating to loafers, where I it is laid nown as a principle het everyone in Canada Rheumatism is the greatest test should be encago; in some productive

that "Nerviline" rapidly relieves the most excruciating pains.

Nerviline penetrates deeply into the tissue, and possess pain-subduing power at least five times greater than anything heretofoe discovered. Its curative influence upon rheumatic pains is really wonderful.

Nerviline is offered to the people of this community under a positive guarantee of its reliableness.

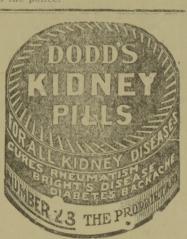

As a curative agent of severest pain and the content of the distributions.

Remember this: There is nothing harmful in Nerviline.

You can use it freely on your childrence and pains. It is dependable, reliable, safe. Nothing to equal good old Nerviline as a general family remedy.

Get the large 25 cent size. Sold by dealers everywhere, or direct from The Catarrhozone Co., Kingston, Canada. cessity. It is a matter of pride for honest, self-denying and self-sac ificing citizen to put himself under dis cipline, if necessary, to obey the spir it and the letter of these orders. His rights will be infringed by all who re fuse to obey, and it is his duty, in or der to protect his own rights and thoughtful shall obey.

The duty of the citizen is clear. He must not pass the buck, nor must he allow others to pass the buck. All he has to do it to notify the police when ever he sees an infringement of these necessary orders. And it is wel known that you cao't pass the buck

Heretofore, the Ford user who wanted to carry loads up to a ton found it necessary to get one of several special attachments or extensions which were on the market. Now the standard Ford truck is available—a car that can withstand the drudgeries of commercial use, and yet lacks superfluous weight, and is easily handled.

The truck differs from Ford passenger cars in that it is specially designed throughout in proper pattern and strength for heavy-duty service. It has a final drive of chassis only the worm gear type, so that all gears are enclosed. Rear wheels are equipped with solid tires. Front tires are pneumatic. Standard Ford motor, transmission and

> The largest truck and automobile company in the British Empire, with an organization of more than 700 Canadian dealers stands back of every Ford truck purchased.
