Lemon Juice is Skin Beautifier, Also a Whitener

Many women use just the juice of lemons to bleach or whiten the skin, but pure lemon juice is acid, therefore irritating, and should be mixed with orchard white.

At the cost of a small jar of ordinary cold cream one can prepare a full quarter pint of the most wonderful lemon skin softener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan, and is the ideal skin softener, smootheners and beautifier.

Just try it! Get three ounces of orchard white and any pharmacy and two lemons from the grocer and make up a quarter pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It should naturally help to bring back to any skin the whiteness, the sweet freshness and flexibility of which it has been robbed by carelessness or trying atmospheric conditions.

THE NEW YORK THOS. COCHRANE WINS THE CASE

Halifax, April 29.—Decision was given in the Supreme Court of Nova Scotia on Saturday in the famous Cochrane suit, a dispute over the will of the late Hon. James Cochrane of this city, involving a sum of \$175,000. The decision confirms the opinion of the referee and reverses the finding of Mr. Justice Russell.

The real basis of dispute was the identity of testator's brother, the late Thomas Cochrane, two of which were set up by different claimants, one party in New York and the other in Ontario.

In their judgment on Saturday the Supreme Court found that the claim that the New York Thomas Cochrane was a brother of the testator was proved beyond doubt. With regard to the Ontario claimant, the decision says that the whole evidence is disrepute because of the introducing by them of documents that were not genuine.

MANUFACTURE OF CANDY WILL BE CURTAILED

Ottawa, April 29.—Following the announcement by the Canada Food Board that no manufacturers in Canada will be permitted to use for the manufacture of candy more than 50 per cent. of the average monthly quantity of cane sugar, and that drastic restrictions have been imposed on the use of wheat flour, sugar, and shortening in the manufacture of biscuits, cakes or sweet dough products, the food board issued an order that no persons shall make in Canada, for private consumption, French pastries, iced cakes or biscuits, or cakes with icing sugar between the layers or added to the exterior; and no person shall use in Canada cane sugar for making for private consumption what is commonly called "candy."

A SLUGGISH LIVER CAUSES LOTS OF TROUBLE

When the liver becomes sluggish it is an indication that the bowels are not working properly and if they do not move regularly many complications are liable to set in.

The symptoms are a feeling of fullness or weight in the right side, and shooting pains in the same region, pains between the shoulders, yellowness of the skin and eyes, floating specks before the eyes, coated tongue, bad taste in the morning, heartburn, waterbrash, etc.

Milburn's Laxa-Liver Pills gently unlock the secretions, clear away all effete and waste matter from the system, and give tone and vitality to the whole intestinal track, and are by far the safest and quickest remedy for all diseases or disorders of the liver.

Mrs. A. Cummings, Manchester, Ont., writes: "I have used Milburn's Laxa-Liver Pills some time, and can faithfully recommend them to anyone suffering from heartburn and liver trouble. I tried a great many other remedies, but they only relieved me for a time. I believe Laxa-Liver Pills to be a valuable remedy for all sufferers from liver troubles."

Milburn's Laxa-Liver Pills are 25c. a vial at all dealers, or mailed direct on receipt of price by the T. Mulburn Co., Limited, Toronto, Ont.

NEW VERSION.

"Mother, may I go out to knit?"
"Yes, my thoughtful daughter; Let a strong man lug your knitting kit, And purl when you think you ought-er."

WHY ONE IS AFRAID.

Gunner Norman Stuckey of the Canadian Field Artillery sends this from France:

"You awoken at night
In a heluva fright,
And your courage is put to the test.
'Tis not shells nor guns,
Nor the thought of the Huns,
But a rat 'marking time' on your chest!"

THE REAL DIFFICULTY.

When the electric lights failed in a Kansas town the people figured that they could worry along with candles for a few hours. Then, horror stricken, they recalled that the state was bone dry and there were no bottles to stick 'em in.

HE Will live, Madam-- But an operation is necessary!

"His plumbing is in an unsatisfactory condition. The symptoms are a general depression and worn-out condition of fixtures; hammering in the piping and an uneven hot-water temperature."

"Yes, doctor; I have realized he was out of fix, but have been doctoring him with 'Temporary Repairs.'"

"A very poor remedy, madam; and a waste of money. I suggest you call in D. J. SHEA & SON, who are specialists in this line."

"Will it take long, doctor?"

"No, madam; and their charges are reasonable. You will really be surprised how much brighter he will be after the operation."

"Yes, doctor, I believe you are right; otherwise he is in good condition, but we have neglected the plumbing. Who was it you recommended?"

Dramatic Ocean Greeting

THOUGH a mere land lubber the call of the sea was too strong for W. H. Boswell, of the Passenger Dept., C. P. R., Charing Cross, London, England, and when he joined up he decided to follow the footsteps of his viking ancestors. Followed a period of training at one of Britain's great naval bases, after which he was posted to a patrol boat and found his sea legs. That patrol boat has proved a friend in need for many of the passengers and crews sent adrift on the ocean's wide expanse by the horrible Hun, and when the "Calgarian" was sunk she picked up one of her boats with survivors. One of the first to come aboard was Commander Kendall, the navigating officer, and a hearty greeting took place between the gallant C. P. O. S. captain and the erstwhile C. P. R. "round the world rate expert," which resulted in the latter loaning the former a clean collar, on the understanding that it would be returned to him, so that when in the days to come his children ask, "Father what did you do in the Great War?" he will point with pride to the glass encased collar and say, "Son, that was my collar, worn by Capt. Kendall, of Dr. Crippen and 'Empress of Ireland' fame, whom I helped save from a watery grave when the 'Calgarian' went down, in March, 1918."
