COULDN'T BREATHE THROUGH HIS NOSE STUFFED WITH CATARRH

Catarrhzone Inhaler the One Means of Relief, and It Cured Quickly.

The extraordinary efficacy of Catarrhzone is without a parallel. A sneezing cold is cured in ten minutes, a harsh cough is eased in an hour, the most offensive catarrh is thoroughly drawn from the system. In case of asthma and bronchitis the relief and certain cure that comes from the healing balsamic extracts in Catarrhzone is simply wonderful.

"For more than twenty years I suffered with a cough, bronchitis, asthma and nasal catarrh," writes J. F. Fenwick, of Staunton P. O. "Every attack I had seemed to grow worse and I could hardly breathe on account of an accumulation of phlegm in the nose and throat. One day I tried Catarrhzone and in ten minutes was wonderfully relieved. I could breathe freely and naturally through the nose, and blood spitting was stopped—the phlegm was cleared away and my regular breathing restored. No remedy can do more than Catarrhzone."

There is no remedy so certain and safe as Catarrhzone, but being a good remedy it is imitated. Beware of the substitutor. Large Catarrhzone lasts two months, price \$1.00. Smaller sizes 25c. and 50c. At all storekeepers and druggists, or The Catarrhzone Co., Buffalo, N. Y., and Kingston, Canada.

DROPS OF MAGIC! LIFT OUT CORNS

Sore, touchy corns stop hurting, then lift right out with fingers

For a few cents you can get a small bottle of the magic drug freezone recently discovered by a Cincinnati man.

Just ask at any drug store for a small bottle of freezone. Apply a few drops upon a tender, aching corn or callous and instantly all soreness disappears and shortly you will find the corn or callous so loose that you lift it off with the fingers.

Just think! Not one bit of pain before applying freezone or afterwards. It doesn't even irritate the surrounding skin.

Hard corns, soft corns, or corns between the toes, also hardened callouses on bottom of feet, shrivel up and fall off without hurting a particle. It is almost magical.

Ladies! Keep a tiny bottle on the dresser and never let a corn or callous ache twice.
