

DENIES THAT THE FARMERS MAKE EXCESSIVE PROFITS

Mr. Thomas Graham of Millville Replies
Forcibly to Some Newspaper Criticism--
Thinks that if there is a Mint of Money
in Farming Vacant Lands in the Pro-
vince Should be Quickly Taken up.

Maple Ridge, Jan. 25, 1918.
To the Editor of The Mail:
Dear Sir: I would like to censure an article I saw in the Daily Gleaner of Jan. 3rd, concerning a farmer who had a load of wood for sale, and also criticize some other things the Gleaner has printed about the farmer in connection with the market.
I don't see where any other person did any more for the lady that wanted the wood than the "wood vendor," except one man who gave fifty cents to help pay for the wood.
Probably the Gleaner thought the farmer wanted too much for his wood, but as the Gleaner did not state in the article how much wood the farmer had on the load it would be pretty hard for the public to judge about the price.
I don't understand why wood is sold by the load. In looking over the report of the market it looks as if whatever amount, large or small, a man might have on his sled would be a load. I don't see why a city like Fredericton allows wood to be sold without

FACE COVERED WITH PIMPLES ASHAMED TO GO OUT

Many an otherwise beautiful and attractive face is sadly marred by unsightly pimples, blotches, flesh worms and various other blood diseases.
Their presence is a source of embarrassment to those afflicted as well as pain and regret to their friends.
Many a cheek and brow cast in the mould of beauty have been sadly defaced, their attractiveness lost and their possessor rendered unhappy for years.
Why then, consent to rest under this cloud of embarrassment?
There is an effectual remedy for all these defects.
It is Burdock Blood Bitters. This remedy will drive out all the impurities from the blood and leave the complexion healthy and clear.
Mrs. Katherine Henry, Port Sydney, Ont., writes: "Two years ago my face was so covered with pimples I was ashamed to go out at all. I tried several remedies, but they were of no use. At last a friend advised me to try Burdock Blood Bitters. I got a bottle, and by the time it was used I could see a difference. I then got two more, and when I had used them the pimples were completely gone. I can highly recommend B. B. B."

OLD FOLKS' COUGHS PERMANENTLY CURED

The Public is Loud in Its Praise of the

Modern Direct Breathing Cure.

Elderly people take cold easily. Unlike young folks, they recover slowly, if ever. This is why so many people past middle life die of pneumonia. Even though pneumonia does not develop and kill, coughs certainly weaken all elderly people.

Cough syrups seldom do much good because they upset digestion. Any druggist or doctor knows that a much more effective treatment is "CATARRHOZONE," which heals and soothes the irritated surfaces of the throat.

In using Catarrhozone you do not take medicine into the stomach—you simply breathe into the throat, nose and lungs rich piney balsamic vapor, so full of healing power, that colds, catarrh and bronchitis disappear almost instantly.

"At sixty-eight years of age I can testify that I am never troubled with coughs or colds," writes J. E. Pilgrim, of Kingston. They used to be the bane of my life, and that was before I used Catarrhozone, which was recommended to me by C. L. Prouse, druggist. To use Catarrhozone is just like being in an immense pine woods. The balsamic vapor of Catarrhozone is like a tonic, it is so stimulating to the breathing organs, so soothing to sore spots, so full of power to drive out colds and congestion, I will always use and recommend Catarrhozone as a preventive and cure for coughs, colds, bronchitis, throat irritation and catarrh.

Sound Advice

THE best information obtainable at present indicates plentiful supplies of raw sugar for the year 1918, and, PROVIDED THAT SHIPS ARE AVAILABLE to transport the raw sugar, everybody should be able to obtain a reasonable supply.

This is a great big "IF" however, to overcome, and therefore it would be safer for consumers and dealers to make plans only for eighty to ninety per cent of last year's consumption.

It will be well on in February before any large supplies of raw sugar reach Canada, and in the meantime the supply will be limited owing to the small stocks on hand.

During 1917 this Company has operated its Refinery continuously, the only interruption being two days at Christmas time. We believe this record has not been equalled by any refinery in the United States or Canada.

These sugars are available in three different grades, under the names of

Light Yellow

Brilliant Yellow

Dark Yellow

Such sugars as these have a pronounced flavour all their own that adds richness to everything for which they are used.

Try "LANTIC OLD FASHIONED BROWN SUGAR" for Cooking and Cereals and on homemade bread for the kiddies. Its rich deliciousness and melting goodness will induce you to USE IT DAILY.

For sale by all first class grocery stores in any quantity. The Red Ball Trade Mark appears on each 100 lb. bag and your

grocer will be very glad to show you that the sugar you are getting is out of a "LANTIC" bag.

We thank our friends, the people of Canada, for their generous approval of the quality of our Products and the liberal share of their patronage given us during the three years of our existence.

We assure them that in the future the same high standard of quality will be maintained so that our Red Ball Trade Mark will always be recognized as the "SEAL OF PURITY".
