## CONFERENCE AT OTTAWA BRINGS GOOD RESULTS

Labor Men Consent to the Registration of the Man and Woman Power of Canada --Opposed to Industrial Conscription in any Form--Chinese Farm Help is Not Wanted--No Objection to Bringing Farm Labor From the United States.

Ottawa, Feb. 3. — The main result of the conference of the representatives of organized labor with the government during the past week has been the securing of labor's consent to the principle of compulsory national registration of the man and woman power of Canada. To this measure of basic compulsory co-ordination of all available labor supply to meet war conditions and fill the gaps made by the withdrawal of men for military service organized labor has consented. To any suggestion for the actual conscription of labor for agricultural work, for transportation, for munitions, manufacture, etc., the labor leaders are unequivocally opposed and they are further emphatically opposed to the bringing in of Chinese or other oriental labor for farm work, although they raise no objection to the scheme of securing additional farm help from the United States.

One further tangible result of the conference is the agreement of the labor men to the government's proposals for a system of government labor bureau, replacing the individual employment agencies and insuring an adequate basis for co-ordination, supervision and direction of the labor supply to the nation wide demand. The government is working out in conjunction with the provincial government a comprehensive plan for establishment of these labor bureaus at Ottawa under federal control. The central bureau will be established to act as a sort of general clearing house of information directing the work of the provincially controlled bureaus.

Registration Compulsory  
The national registration scheme will be gone ahead with at once. Pro-

## WILL PUNISH CHINESE REBELS

Peking, Feb. 2.—A more hostile attitude toward the southern revolutionists has been adopted by Feng-Kwo-Chang since his return from a visit to the South. He issued a mandate today ordering the Chinese military commanders, generals Tsao-Kun, Chang Hui-chih and Chang Ching-Yao, to lead troops to punish the rebels, who, "even dare to fire on foreign gunboats, courting foreign intervention. The rebels recently captured Yochow, near Wuchang. The government troops are concentrating at Wuchang. Refugees from that city are over-running Hankow.

vision will be made along the same lines as were adopted under the national service registration scheme of a year ago, but the signing of the cards will be made compulsory. In the case of the first registration the signing of the cards was purely voluntary, and as a result the information gathered was incomplete and inadequate. Only about eighty per cent of the man power was registered and in the province of Quebec especially the response was poor. Any really definite idea of the labor supply available for meeting all requirements of essential industries was consequently not obtainable. Under the new scheme the government will have at its command the essential information necessary as a basis for adopting measures to meet conditions as war developments and needs arise.

## MARYSVILLE HAPPENINGS

Marysville, Feb. 4. — The funeral of the late Miss Sadie Titus took place from the home of her father Mr. Hugh C. Titus on Saturday afternoon and was very largely attended. A short funeral service was conducted at the home by Rev. Dr. Harrison and appropriate music was rendered by the Methodist choir. Miss Titus was a very estimable lady and her loss will be keenly felt by the entire community. Numerous friends will extend their sincere sympathy to the bereaved family. The floral tributes were numerous and beautiful, attesting to the popularity of the deceased lady. They were as follows: Pillow, family; flat bouquet, Mr. and Mrs. Randolph Titus; wreath, Methodist choir; cut flowers, Miss Minnie Day, Misses Jennie and Doris McConnell, Mr. and Mrs. N. E. Stewart and Miss Eva Stewart, Mr. and Mrs. George Ward, Crescent teaching staff, Marysville public school, Bradford Pond Sunday school class, Miss Alice Harrison; flat bouquet, ladies of the Methodist congregation. The mourners were Messrs. Hugh C. Titus, Wallace Titus, George Titus, Frank Boone, Bert Dennison Paul Dennison, Randolph Titus, Gordon Titus, Bradford Pond, Joseph Capen, Charles Titus and George Ward. Interment was made in the Methodist cemetery.

Relatives and friends here will hear with interest of the activities of a former New Brunswick lady now a resident of the west in aid of the Red Cross and Soldiers' Comforts Associations in the west. Mrs. Rozilla Barker, formerly of Fredericton, and a sister of Mrs. Thomas Vreeler of this place, has knit 74 pairs of socks for the soldiers since the outbreak of the war, besides other work of the same nature. Mrs. Barker is 84 years of age, which fact does not apparently hinder to the slightest degree the patriotic work in which she is so deeply interested.

Mrs. W. J. Kelly and little daughter, Margaret, have returned from a visit to Durham.

Miss Frances Haines who has been employed on the sales staff of the drug store has severed her connection with that business. Miss Chisholm has accepted the position.

Mrs. George F. Cole and Miss Stella Osborne of Minto spent the week-end with relatives here, returning to Minto this morning.

Mr. James Robinson will leave this evening on a visit to Boston.

Miss Alice Cooper sang a very pleasing solo at the evening service of the Methodist church yesterday.

Mr. William Everett of Minto, spent the week-end with relatives here.
