## KEEP PRISONERS IN CAGES FOR FOUR DAYS

(Canadian Press direct wire.)

Paris, Feb. 2.—American officers at the front have come into possession of documents said to have been taken from Germans in this sector, which deal with the treatment to be accorded prisoners of war.

The documents say that all prisoners, including commissioned and non-commissioned officers, after being captured are to be kept in cages for four days without food, and compelled to stand all the time. At the end of the four day period only small quantities of food are to be given.

Though definite information on the point is lacking, some American officers today expressed the belief that the order resulted from the difficulties the Germans probably experienced in extracting information from the first American prisoners captured in November. Such treatment of prisoners, it is felt, could be designed only to make them give up military information.

## CAMPAIGN FOR RELIEF OF ALLIES FUND TO BEGIN

### Provincial Executive Met Here Last Week and Organized— Contributions Already Promised.

The Provincial Executive of the Relief of the Allies Fund met at the Department of Agriculture on Thursday, January 31st. The following members were present: Hon. Mr. Tweeddale, E. A. Schofield, G. M. Vroom, Dr. W. C. Kierstead, M. A. McLeod, W. R. Reek.

Correspondence with Dr. James W. Robertson was carefully considered and the following plan of campaign was outlined:

To canvass every member of organized societies engaged in agricultural work for contributions to this fund which is for the purpose of assisting the reinstatement of the farmers in those areas where the war is being waged. There will be an immense demand immediately war closes, as houses, barns, implements and livestock have all been destroyed.

Letters will be sent to every member of the agricultural societies and women's institutes. It is also anticipated that every clergyman will be communicated with and we hope that in those districts where there is no agricultural society or women's institute that the assistance of the clergy or other public spirited citizens will be obtainable in the collecting of funds for this purpose.

Every farmer owes something to his brother farmer in Europe who is situated less fortunately than himself. This is an opportunity for us to express our gratitude to those who have lost everything in the war.

At the Potato Growers' Association meeting in Woodstock several sub-

## Slants of Humor

**WAIL FROM A N. B. FARMER.**  
The hen's a creature most perverse. Her methods make me weep; She quits when she could fill my purse And lays when eggs are cheap.

### GOOD REASON WHY.

Two small boys were having an argument.  
"Aw," said Jimmie, "you're afraid to fight; that's all it is."  
"Nam, I'm not," protested Johnnie; "but if I fight my ma'll find it out and lick me."  
"How'll she find it out?"  
"She'll see the doctor goin' to your house."

### HAD HIS REASONS.

An Irishman was taken before the tribunal as a conscientious objector. The sergeant asked him to state his reasons to the court.

"I refuse to fight for any country that has not a commander in chief for the field, an admiral for the fleet, or a prime minister."

"You are a fool," said the chairman. "Where are there better men than Sir Douglas Haig, Admiral Beattie and Lloyd George?"

"Well," said the Irishman, "Sir Douglas Haig is a Scotsman, Admiral Beattie is an Irishman and Lloyd George is a Welshman."

"Case dismissed. Next, please."

## BIG BLAZE AT BALTIMORE

(Canadian Press direct wire.)  
Baltimore, Md., Feb. 2. — Fire of an unknown origin last night destroyed the Price mill and other property belonging to the Walbrook Mill and Lumber Company. Loss about \$200,000. It is understood the concern several years ago began work on a government contract of aerial fittings and work for ships.

## PRESENT DAY SNOBBERY

(Sydney Record.)

In referring to an approaching dance for patriotic purposes an exchange published in the capital of another province says that the wife of the lieutenant governor "has graciously honored" the dance "with her patronage." One might suppose from the tone of the reference that the lady in question is a member of royalty itself instead of being the wife of a man who was appointed lieutenant governor of a province because of his services on behalf of a political party.

What buncombe such stuff is! The lady's "patronage" is given because of her husband's position. There is nothing "gracious" in giving it at all, though the lady may naturally be of gracious and kindly manner. The form of the reference is only an evidence of the toadyism and snobbery which has come to manifest itself in some quarters in Canada.

## JUDGE LECTURED THE PRIESTS

(Canadian Press direct wire.)  
Montreal, Feb. 2.—Mr. Justice Marchal, in dismissing an appeal for the exemption of J. A. Gagnon, editor of a newspaper for the priests of the Blessed Sacrament, lectured Rev. A. R. Pelletier, head of the institution, who appeared in behalf of the appellant, and priests in general in the province of Quebec. He said:

"The priests of Canada are very fortunate when compared with their fellow church workers in France. In that

## "CASCARETS" BEST IF HEADACHY, BILIOUS, SICK, CONSTIPATED

Best for liver and bowels, bad breath, bad colds, sour stomach.

Get a 10-cent box.  
Sick headache, biliousness, coated tongue, head and nose clogged up with a cold—always trace this to torpid liver; delayed, fermenting food in the bowels, or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet, breath right, complexion rosy and your liver and bowels regular for months.

country they have all been conscripted. In Canada the priests are exempt. Therefore the least they can do is to help as far as possible to get men to carry on the burdens of war and take up arms, if necessary."
