Cor. Queen and Carleton Sts.

WEDNESDAY and THURSDAY, MAY 29th and 30th, 1918.

"My pals always said I was the coolest in the business; but nobody on God's green earth will ever know the shivers that went up my backbone when the light flashed up and I heard a voice say:

"COME THROUGH"

"Then he pokes a gun in my face and backs me across the room to a minister and a girl I never saw before,

"COME THROUGH"

It Will Keep You Guessing

A Startling Drama with a PUNCH in every scene, written on a bet of \$1,000 by GEORGE BRONSON HOWARD, whose friends claimed he was not equal to the accomplishment of penning something new and

He Won the Bet - COME THROUGH The Result!

PLEASURE TO PAY A TRIBUTE TO PATRIOTISM! WAR

Beginning SATURDAY, June 1st, 1918, your Government TAX will provide a way for those who could and those who could not buy a Victory Bond to add their pennies to the Victory War Fund. The law compels the thatres to collect the tax on admissions from the patrons as follows: Every person attending a performance at a theatre where the price of admission is twenty-five cents or under, shall pay a tax of one cent, but this tax of one cent shall not apply to tickets sold to Children twelve years of age or under for the afternoon shows on Saturdays. June First is the Date to "COME THROUGH."

MOVING ON 20 MILE FRONT

The Enemy Claims to Have Occupied Numerous Towns and Villages --- British and French Fighting Against Terrible Odds---Huns Are Paying Dearly in Casualties for Ground They Are Gaining

is in full motion along the twenty mile towards rolling back the centre on the front in the Aisne River sector be- line of the Vesle, which the Germans tween Vailly and Berry-Au-Bac and, succeeding in crossing at several greatly outnumbered, the British and points, notably in the region of Bazo French are giving ground every- ches and Fiames.

villages in the fighting onez have been losses. taken by the enemy and 15,000 allied

points had reached positions dominat- repulsed counter-attacks." ing the Vesle Valley. The offensive is being carried out with the greatest rapidity, for General Foch's reserves have been reported to be coming up rapidly to reinforce the hard-pressed British and French, who are fighting valiantly against the terrible odds and making wave upon wave of the enemy pay dearly in casualties for every foot of ground they obtain.

No Guns or Supplies Lost

Notwithstanding the rapidity of the drive and the large number of the enemy pressing it-some unofficial estimates place the number of shock or about 340,000 picked men-the Allied front nowhere has been pierced the retirement been conducted both the British and the French troops have been able to carry back with able to handle.

German gains, but it would seem evihave driven is in the region due east of Vailly-about eight miles.

Although the Germans for the moment at least, seemingly are having night, and it is thought that the alcoof the line in France on the sectors McArthur was found dead in bed in around Montdidier and southwest of Ypres they are being sorely harrassed by the Americans and British and
