That is what Rabbi M. Shallit of Edenbridge, Sask. says regarding a cure by Zam-Buk, of which he gives the following particulars:

the following particulars:

"A short time ago," said the Rabbi, "a man brought his little son to me and asked if I knew of anything that would cure the child of a terrible skin disease, with which he had suffered for three years. The child's forehead, eyes and ears were covered with sores. The sight was shocking, and the child had not been able to see for two years. As he was an only child, the father said he would give anything to have him cured, but as he had already been treated by many doctors, each of whom had given up the case as incurable, he had about despaired of ever finding a cure. Having great faith in Zam-Buk, I recommended it, and to cut a long story short, perseverance with Zam-Buk has now completely cured the child.

THE FATHER'S ACCOUNT

The following letter from the father of the boy expresses his gratitude:

The following letter from the father of the boy expression.

"The Zam-Buk Company, Toronto
Dear Sirs: I beg to testify that my boy suffered for three years with a severe skin disease, which doctors tried to cure, but in vain. The sores on his eyes were so terrible that for two years he was quite unable to see. Zam-Buk, however, has worked a complete and permanent cure.

The Zam-Buk treatment was recommended to me by Mr. M. Shallit, Rabbi of Edenbridge, for which I shall be grateful to him forever.

With hearty thanks to you, I remain, Yours feithfully, (Signed) E. ROMANUK."

THE VALUE OF ADVERTISING in all cases must be based on the return for the outlay. No better opportunity in this respect can be found in this locality than

THE DAILY MAIL

This paper has a special value to the local advertiser, as the majority of its readers are in this city and the immediate surrounding country.

Our Advertising Rates will be found decidedly reasonable in view of the results.

PEOPLE READ OUR

ADVERTISEMENTS

They are trying to buy as wisely as they can. It is necessary they should.

They are eager to know what the local merchants have to offer, and good live advertising is interesting reading to them.

Most of our enterprising business men have already realized this fact and their advertising appears regularly in the Mail.

THE AD. AND THE MAN.

By James J. Montague.

He saw the ad from day to day And muttered: "I defy it; The stuff may be just what they

say,
But I'm not going to buy it."
As time wore on he made remarks
It would not do to mention,
For he was mad because that ad
Was forced on his attention.

But in a week, or two, or three, He said: "There's ne denying, The way that ad gets hold of me, The stuff may be worth trying" For just about a fortnight more He dared mere words to win

him,
And then the ad completely had
Aroused the spender in him.

Next day he drifted in a store

And quietly expended
A few big iron dollars for
The stuff the ad commended.
He found it filled a long-felt need
Its excellence surprised him,
And now he's glad because the ad
So deftly hypnotized him.

If you are not a regular advertiser in the DAILY or SEMI-WEEKLY MAIL, you are overlooking an opportunity that no business man in this locality ought to be too busy to appreciate.

Sound Advice

THE best information obtainable at present indicates plentiful supplies of raw sugar for the year 1918, and, PROVIDED THAT SHIPS ARE AVAILABLE to transport the raw sugar, everybody should be able to obtain a reasonable supply.

This is a great big "I F" however, to overcome, and therefore it would be safer for consumers and dealers to make plans only for eighty to ninety per cent of last year's consumption.

It will be well on in February before any large supplies of raw sugar reach Canada, and in the meantime the supply will be limited owing to the small stocks on hand.

During 1917 this Company has operated its Refinery continuously, the only interruption being two days at Christmas time. We believe this record has not been equalled by any refinery in the United States or Canada. During the whole year it has been our constant aim to keep the Canadian public supplied with "LANTIC PURE CANE SUGAR" at reasonable prices.

In order to accomplish this extraordinary feat in view of the actual sugar shortage that occurred, we were obliged at different periods, to purchase raw sugar at highest prices when such action was most unprofitable.

During 1918 we will continue our Advertising Campaign of our celebrated "LANTIC SUGAR" and, in addition, will make a feature of our Old-Fashioned Brown Sugars. known to the trade as soft or yellow sugars.

These sugars are available in three different grades, under the names of

Light Yellow Brilliant Yellow Dark Yellow

Such sugars as these have a pronounced flavour all their own that adds richness to everything for which they are used.

Try "LANTIC OLD FASHIONED BROWN SUGAR" for Cooking and Cereals and on homemade bread for the kiddies. Its rich deliciousness and melting goodness will induce you to USE IT DAILY.

For sale by all first class grocery stores in any quantity. The Red Ball Trade Mark appears on each 100 lb. bag and your grocer will be very glad to show you that the sugar you are getting is out of a "LANTIC" bag.

We thank our friends, the people of Canada, for their generous approval of the quality of our Products and the liberal share of their patronage given us during the three years of our existence.

We assure them that in the future the same high standard of quality will be maintained so that our Red Ball Trade Mark will always be recognized as the "SEAL OF PURITY":
