

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of *Dr. H. H. Fletcher* and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. OF INTEREST TO WOMEN

A TALK ON DOMESTIC TOPICS.

When pouring out tea one sometimes is annoyed to find the tea will run down the spout. To prevent this rub a little butter around the outside of the spout.

Tan boots when mud-stained may be cleaned with a cut raw potato. Leave them till dry, then apply boot cream or beeswax and turpentine and polish as usual.

To remove cream spots from embroidered centrepieces or doilies, dampen the spot with household ammonia, then lay a fresh piece of blotting paper over it and iron lightly. This treatment will remove any grease from white goods.

Brooms should always hang when not in use. Have a hole bored in the handle four inches from the end and large enough to slip over an ordinary nail. When left on the floor a broom soon loses its shape and will not do good work.

Place pulverized pumice stone between the layers of a folded piece of soft muslin and stitch around the edge to keep the powder from spilling. You can wipe lamp chimneys or window panes with this dry cloth and they will become clean and sparkling almost instantly. Enough powder will remain in the cloth to be used many times.

Get a small whisk broom and soak it until the straws are soft and pliable and you will find it very useful when dusting a room, for it sweeps the dust out of the couch crevices, cleans the dusty radiator and reaches the tiny cobwebs in the room. A soft paint brush will answer the same purpose.

"The Fall of the Romanoffs"

Ernest Kemper of Kansas City had an eventful day recently. He applied at 4 o'clock for enlistment in the regular army and was accepted. Shortly before 5 o'clock he applied for and was granted a marriage license. While the clock was striking six he was being married, and a little after seven he was on the train going to Jefferson barracks.

"The Fall of the Romanoffs"

England's co-operative movement owns its own tea gardens in India and Ceylon, palm oil plantations in West Africa and wheat fields in Canada.

only the little broom is better. A child's toy broom is even better than the whisk broom.

To keep iron sinks and iron kettles smooth and free from rust, never use soap in cleaning them. Wash them in the water in which potatoes have been boiled, using a well boiled potato to rub any spot which may have become rough or rusted, afterward rinsing it clean with very hot, clear water.

DATE GEMS.

Sift two cups of flour with three teaspoons of baking powder, three teaspoons of sugar and half a saltspoon of salt. Mix with three-quarters of a cup of milk and one well beaten egg. Add one teaspoon of melted butter. When well mixed, add one cup of dates chopped fine.

COFFEE CAKE.

This favorite breakfast bread requires one egg, two tablespoonfuls of sugar, one heaping teaspoonful of baking powder, a pinch of salt, one scant teaspoonful of melted butter and one cupful of flour. Stir all together with sweet milk to a thick batter.

GIRLS! DRAW A MOIST
CLOTH THROUGH HAIR,
DOUBLE ITS BEAUTY

Try this! Hair gets thick, glossy, wavy and beautiful at once.

Immediate?—Yes. Certain?—that's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Beside beautifying the hair, Danderine dissolves every particle of dandruff, cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use, when you see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it, surely get a small bottle of Knowlton's Danderine from any drug store or toilet counter and just try it.

"THE FIGHTING TRAIL"

IS A "BEAR" OF A PICTURE.

And the NOVELIZATION is in the same class. To be in the "running" you'll SEE THE PICTURE, and the NOVEL will be a welcome addition to the screen portrayal you have already witnessed.

THE DAILY MAIL HAS SECURED the exclusive right to publish Each Instalment of THIS MARVELOUS SERIAL THE DAY AFTER IT IS SHOWN AT THE GEM THEATRE

Good Bye,
Old Time Melodrama!

Sorry to see you go, but the new melodrama is here—"THE FIGHTING TRAIL." Greater Vitaphone's Duncan-Holloway Serial. The mortgage on the old home hasn't a chance in this, the only kind of melodrama that goes is that of brand new thrills and sensations. And there are dozens of 'em in every episode. William Duncan and Carol Holloway risk their necks two dozen times in THIS serial and THAT'S what we call melodrama! Stunts that amaze and mystify. Be sure to see it.
