

Ford ONE-TON TRUCK

COUNTRY-WIDE interest and comment have followed the recent appearance on the market of the new Ford One-Ton truck.

It is now possible to get a serviceable commercial car of one-ton carrying capacity that also embodies the desirable qualities of Ford sturdy construction and low up-keep expense.

The Ford passenger car has proved itself the most economical and serviceable automobile in the world. And this latest Ford model differs from the standard Ford chassis only in being constructed for heavy-duty service.

The frame is built of heavy steel, and the wheel base has been lengthened to 124 inches. A worm drive is used, and rear wheels are equipped with solid tires. Front tires are pneumatic. The standard Ford motor, transmission and ignition are embodied in the truck.

The Ford truck is supplied as a chassis only. This allows the purchaser to equip his car with any style of commercial body to suit the individual requirements of his business. It is an easy matter to get this equipment, for many of the leading body builders of Canada already have developed standard bodies of the various styles, made specially to fit the Ford truck.

Ford service has contributed in no small way to the reputation of the Ford car for day-in-and-day-out dependability. This same universally satisfactory service is available to owners of Ford trucks—an important thing to consider.

Realizing that a Ford model of the popular one-ton capacity would find immediate favor, this new truck is announced. Don't fail to see it on exhibit at the Ford service station in your town.

Premier's Reply

(Continued from page 2)
gift of office, his friend opposite had made no attempt to fill the vacancy. He left the largest centre of population in the province to the tender mercies of his colleagues at that time. These vacancies had extended to a period of nearly two years; in Gloucester to more than one year; in Kent more than a year; and these all at the same time—and yet his hon. friend now accused him.

MR. MURRAY (Kings) — "I did not accuse you."

Other interruptions from the opposition side, followed by the speaker's call for order.

Nothing to Complain of.

HON. MR. FOSTER said that the leader of the opposition was getting a dose of his own medicine and he had nothing to complain of. In his opinion the county of Carleton was fairly well represented, if the House were to judge by the action of the present members. In the last session hardly a day passed when one of them did not rise in his place and ask the Minister of Public Works if he was aware that some bridge was dangerous or that some old road, left unfinished by himself, was in a desperate state.

MR. SMITH (Carleton) — "What bridge?"

HON. MR. SPEAKER—Order, order.

On being granted permission to ask a question, Mr. Smith asked that the premier should name a bridge regarding which he had inquired.

HON. MR. FOSTER — "I have not

STRONGEST LINIMENT IN 100 YEARS BEST FOR EITHER MAN OR BEAST

Nothing for Family Use Can Compare With It.
RUB ON NERVILINE

When you have been exposed to wet and cold and your muscles are full of pain, nerves are jumping with neuralgia, then you should have ready at hand a bottle of Nerviline. It robs pain of its terrors, gives relief to all suffering, brings ease and comfort wherever used.

No care or expense has been spared to secure for Nerviline the purest and best materials. It is prepared with a single aim: to restore the sick to health. This cannot be said of the preparation that an unscrupulous dealer may ask you to accept instead of Nerviline, so we warn you it is the extra profit made on inferior goods that tempts the substitutor. Of him beware.

Get Nerviline when you ask for it, then you are sure of a remedy that will cure all aches, strains, swellings

and the pains of rheumatism, neuralgia and lumbago.

In the last hundred years no liniment has been produced that can compare with Nerviline in strength, in penetrating power, or in curative ability.

For nearly forty years it has been Canada's household remedy, and mothers will do well to follow the advice of Mrs. Jessie Beggs, of Stella P. O., Ont., who says:

"Very frequently there are ailments in the family that can be cut short if Nerviline is handy. When my children come in from play, with a cough or a bad cold, I rub them well with Nerviline, and they are well almost at once. Nerviline is fine for carache, toothache, chest colds, lumbago, stiffness, rheumatism or neuralgia. In fact there is scarcely an ache or pain in man or beast it won't cure quickly."

The large 25c. family size bottle is the most economical; at all dealers, or the Catarrhzone Co., Kingston, Canada.

Slants of Humor

ANCIENT FALLACY.

That notion that the dull and stupid must necessarily be "good" has been a camouflage for Cupid, to snare him where no candor could.

The heresy that joy and beauty were not bestowed with common sense, that sad and solemn is all "duty," insults so-called intelligence.

We learn that maidens fond of dancing, who love fine clothes, dislike "good" books, and are, as sweethearts, quite entrancing, make splendid wives, companions, cooks.

'Tis woman's duty to be pretty, 'Tis man's to be wise, strong and just. And cheerful both should be and witty—That's why romances often bust!

LISTENING LIPS.

A magazine story contains the following sentence: "She forced his lips to her own and spoke softly into them." No doubt he made reply with his ears.

VALUABLE OBJECTIVE.

Voice from the distance — "Fall back, ye daft loons! Yon possession is of nae value at a'!"

Chorus of Kilties — "Nae value? Why, mon, we've just drapped a sarge-pence!"

HEAD AND NOSTRILS STUFFED FROM COLD

Don't stay stuffed up! Quit blowing and snuffling! A dose of "Pape's Cold Compound" taken every two hours until three doses are taken will end gripe misery and break up a severe cold either in the head, chest, body or limbs.

It promptly opens clogged-up nostrils and air passages; stops nasty discharge or nose running; relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

"Pape's Cold Compound" is the quickest, surest relief known and costs only a few cents at drug stores.

October 31st, 1907, and not provided for by appropriation. The particulars of this miserable condition are given on page 66 of the Legislative Debates of 1908."

HON. MR. FOSTER said surely if it was a miserable piece of business in 1907, as he says, was it not miserable in 1916? He would give the late attorney general the credit of believing that he did not know of all these bills outstanding, but he did know, notwithstanding his public statement, of some of them, for in the list of bills outstanding and unpaid was none other than one of his own amounting to (Continued on page 6.)

The Standard's Cartoon.

Hon. Mr. Foster continuing said an election brought on in Carleton might create an awkward situation. It would not be the first by-election in that county; there was another to which he would refer. It was in September, 1916, and being absent in the west, he had not taken part. However, on returning the day after election his attention had been called to a certain cartoon that appeared in the Standard newspaper, and which represented a certain gentleman now occupying a very prominent place in the political life of the Dominion. He was represented as actually a political

stowed away in the archives of a certain building on Prince William street St. John, and if by chance that cartoon might again find its way into the columns of the paper, it would at this moment be decidedly awkward. Apart from that, he had some little regard for the bringing on of the by-election at a time when it was proper and right to have held it, viz., during the Fall months. At that time the people's minds were filled with more weighty problems connected with the government of Canada as a whole. He had no apologies to make or excuses to offer, but would tell his friends opposite that the vacancy would be filled when in the opinion of the government the proper time had arrived.

Provincial Accounts.

During the debate upon the address at the last session, he had informed the House that pursuant to promise made previous to the general election a thorough audit of the accounts would be made, in order that it might be known if the statements as published were correct, and in order to know if the surpluses shown from time to time on ordinary revenue and disbursements were actual or figures gotten up and trimmed up for the occasion. Charges had been made by himself and others that the true state of affairs was not disclosed and that a large amount of unpaid bills were carried over and unpaid at the end of the fiscal year; while that investigation was in actual progress during the session, the report was tabled, later printed and distributed to the members, and when after the conclusion of the session the members had an opportunity of looking over the figures as compiled by one of the largest and most reliable firms of chartered accountants in Canada, they indeed must have been surprised to learn that instead of there being a surplus as claimed by the government of some \$12,000, there were outstanding bills of the previous year amounting to upwards of \$200,000. This proved the contention that the accounts as presented were false. Who was an offender in this regard? He was none other than the chief law officer of the Crown, his (Foster's) opponent in the last election.

One for Mr. Baxter.

HON. MR. FOSTER produced a pamphlet, prepared by the attorney general of the late government and proceeded to quote from it as follows:

"Little credence can be placed in his (Foster's) statement, when on the face to face with the fact that the public statement for 1907 did not include sums amounting to over \$400,000 for expenditures incurred prior to

Lovely White Skin!

Strain lemon juice well before mixing and massage face, neck, arms, hands.

By all means, girls, prepare a lemon lotion to keep your skin flexible and young looking. You will soon realize that true loveliness does not mean the powdery look or waxen colorlessness of some hot-house flower, but is typified by the velvety softness of your skin, your peach-like complexion and rosy-white hands.

At the cost of a small jar of ordinary cold cream one can prepare a full quart of the most wonderful lemon skin softener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan, and is the ideal skin softener, smoothener and beautifier.

Just try it! Get three ounces of orchard white at any pharmacy and two lemons from the grocer and make up a quart of this sweetly fragrant lotion and massage it daily into the face, neck arms and hands. It should naturally help to whiten, soften, freshen and bring out the roses and hidden beauty of any skin. It is simply marvellous to smoothen rough, red hands.
