

## Your Over-Hauls Are Important

DON'T TAKE ANY OLD KIND.

You wear them six days a week and your Sunday suit only once or twice, yet you spend hours in selecting a suit of clothes, but don't pay any attention to the kind of an over-haul you buy.

BETTER BE SAFE THAN SORRY.

Ask for LEATHER LABELS hereafter, and rely on getting the utmost in value and service.

Look for the genuine Leather Label on the band.

## MANUFACTURING PLANTS WILL SUSPEND OPERATION

Drastic Order-in-Council for the Conservation of Fuel Passed at Ottawa---Only Affects the Provinces of Ontario and Quebec at Present---Munition Plants are Included in the List.

Ottawa, Feb. 4. — On the recommendation of C. A. McGrath, Canadian fuel controller, the cabinet tonight passed an order-in-council suspending the operation of manufacturing plants in Ontario and Quebec for three days,

## YOU'LL FIND THEM IN EVERY NEIGHBORHOOD

People Whose Kidney Ills  
Dodd's Kidney Pills Have  
Cured.

Mr. Levy, of Liverpool, N. S., Tells  
How They Fixed Up His Lame Back  
and Other Symptoms of Kidney  
Trouble.

Liverpool, Black Point, Queens Co., N. S., Feb. 4. (Special).—With his pain in the back all gone and his other symptoms of kidney disease no longer troubling him, Mr. Charles E. Levy, a well known resident here, is spreading the good news that Dodd's Kidney Pills are the right remedy for kidney trouble.

"Yes, I am feeling quite well again," Mr. Levy says in an interview. "I know Dodd's Kidney Pills have done me a great deal of good. I was much troubled with pain in the back and I knew from my other symptoms that the kidneys were the cause of my trouble."

"I used pills I got from the doctor, but I only got worse. So I sent for Dodd's Kidney Pills. They fixed me up. That's why I advise all sufferers from kidney trouble to use Dodd's Kidney Pills."

If you haven't used Dodd's Kidney Pills ask your neighbors. In every neighborhood you will find some one Dodd's Kidney Pills has cured.

### Death at Oromocto.

William Guthrie, a well known resident of Oromocto, died last night at the home of his nephew, Mr. William J. Guthrie, with whom he resided. He was aged eighty-two years. Death was due to old age. The deceased was unmarried. One brother, James and one sister, Mrs. Henry Hartford of Waterbury, Conn., survive. The funeral will take place Thursday at 1 p. m. Rev. J. W. Howe will conduct the service and interment will be made at the family burying ground, Oromocto.

Managing Committee Series.  
Two matches were played in the Managing Committee Series at the Curling Rink last night. The results were: A. McMillan 23, R. B. VanDine 5. H. H. Hagerman 20, H. C. Macnutt 10.

February 9, 10 and 11. The only exceptions are plants which must be continually operated seven days of the week to avoid serious injury to the manufactured products, plants manufacturing perishable foods or food necessary for immediate consumption and plants devoted to the publication of daily newspapers. The order applies to all business and professional offices, warehouses, wholesale and retail stores. For the purpose of selling food only, stores may retain necessary heat until 12 o'clock noon February 9 and 11. The regulations do not apply to western Canada nor to the Maritime Provinces. The order, as passed, will apply to all of Ontario and Quebec, from Fort William on the west to Riviere Du Loup on the east.

It is understood that it was the intention to pass this order last week, but was held up owing to doubt as to further action in the United States and the possibility of the discontinuance of their order. Mr. McGrath, who is in Washington, is in close consultation with the American authorities and is co-operating with them in every possible manner to meet the present situation. This recommendation was decided upon by him as best for the present, although further orders along the same lines may be issued later if necessary.

### Munition Plants Too.

The Canadian order will go further than the American in that all munition plants must close down for three days. The Canadian order also goes further than the American in that during the months of February and March all golf, country, yacht, canoe or hunt clubs must be closed, except on Wednesdays and Saturdays. On other days of the week the coal consumption is to be restricted to the quantity to prevent damage through freezing.

For the present "heatless" Mondays are ordered only for theatres, bowling alleys, billiard rooms, private and public dance halls and any other places of amusement. They must remain closed every Monday beginning February 18 and extending to March 25. Exception is made where entertainments or special functions had been advertised before February 4.
