### AUTO-INTOXICATION OR SELF-POISONING

"FRUIT-A-TIVES" Absolutely Provento This Dangerous Condition.

The chief cause of poor health is our neglect of the bowels. Waste matter, instead of passing from the lower intestine regularly every day, is allowed to remain there, generating poisons which are absorbed by the blood.

In other words, a person who is habitually constipated, is poisoning himself. We know now that Autointoxication, due to non-action of the bowels, is directly responsible for rious Kidney and Bladder Troubles; that it upsets the Stomach, causes Indigestion, Loss of Appetite and Sleeplessness; that chronic Rheumatism, Gout, Pain In The Back, are relieved as soon as the bowels become regular; and that Pimples, Rashes, Eczema and other Skin Affections disappear when "Fruit-a-tives" are taken to correct Constipation.

"Fruit-a-tives" will protect you against Auto-intoxication because this wonderful fruit medicine acts 50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

Slightly Improved. The condition of ex-Sheriff William . Howe, of Stanley, is reported to be improved slightly.

Committee Meeting. The Relief Committee of the Cana-lian Patriotic Fund will meet on Wed esday evening at 7.30 o'clock at the Board of Trade rooms.

Reported Missing. The latest casualty list gives the name of A. Blair, Fredericton Junc-tion, as reported missing. He was serving with Railway Troops.

A Good Showing. The Misses Beverley are the owners of a flock of hens which last week produced 107 eggs, which is an aver-age of a little less than six to a hen.
