The bill was read a first time.

HON. MR. BYRNE intriduced a bill to establish a Provincial Forestry Advisory Commission and also a bill for the prevention of forest fires.

The House went into Committee with Mr. Leger (West.), in the chair and took up further consideration of the bill to amend the Towns' Incorporation Act relating to the sale of coal and wood.

The provision complained of appeared in every similar act and he did not see why the time of the House should be taken up i discussing it.

MR. TILLEY said the employment of a stenographer in County Courts by shortening the term of such courts would lighten the burden on the litigants. The provision complained of appeared in every similar act and he did not see why the time of the House should be taken up i discussing it.

MR. MERSEREAU thanked the hon, member from St. John for the information but said he prosed to take up all the time he wanted in discussing the bill. The bill was agreed to. The Committee next considered the bill to provide an annuity for Jahe Dickson, widow of Joseph Howe Dickson and agreed to the same.

HON. MR. MURRAY said he was in receipt of a letter from the Town Clerk of Sackville, asking for permission to regulate the sale of coal and wood. Personally he saw no reason why the act should not be amended along the lines set forth in the bill. He thought Town Councils should have the power to regulate the sale of coal and wood and grant licenses for the same. The bill was agreed to. Court Stenographers. The Committee then took up further consideration of the Act relating to Shorthand Reporting in County Courts.
