CHANGE OF WATER

CAUSED

DIARRHOEA

People moving from one place to another are very much subject to diarrhoea on account of the change of water, change of climate, change of diet, etc., and what at first appears to be but a slight looseness of the bowels should never be neglected or some serious bowel complaint will be sure to follow.

The safest and quickest cure for diarrhoea, dysentery, colic, cholera infantum, cholera morbus, pains in the stomach, seasickness and all looseness of the bowels is Dr. Fowler's Extract of Wild Strawberry.

Mr. T. T. Allard, Parry Sound, Ont. writes: "In the fall of 1914 I was working on the new 'Chiclet Gum' factory, on Carlaw Ave., in Toronto, when I had a violent attack of diarrhoea, owing, I think, to the change of water. One of the foremen advised me to get a bottle of Dr. Fowler's Extract of Wild Strawberry, which I did, with the result that I hadn't taken it all before I was completely cured."

Dr. Fowler's Extract of Wild Strawberry has been a national remedy for the past 72 years, and is sold by medicine dealers everywhere at 35c. a bottle. Don't let anyone palm off a substitute on you. When you get your money for the genuine, you've a right to get it. Put up only by The T. Milburn Co., Limited, Toronto, Ont.

CHAUTAUQUA AT SACKVILLE

(Moncton Times)

A Moncton gentleman who took the Chautauqua in at Sackville on Thursday evening says he was very appreciably surprised with the splendid entertainment. Those taking part are practically all artists. The performance given was Robin Hood and it was well rendered. Their orchestra is of very high order. The Bell song in Robin Hood was exquisitely rendered and a lady sang "Oh Promise Me," in a way that could not be excelled; in fact it was a whole performance in itself.

The gentleman in question is sorry Moncton did not take up the Chautauqua and he would be one to guarantee bringing it here next year. There were fully 1800 people under canvas in Sackville, and the entertainments and lectures have been attended to full capacity for the week. Sackville looked like a full fledged city. There must have been two hundred or more automobiles in the park and field on Thursday evening and, after the performance was out, it made a very brisk scene indeed. A man directed the automobiles out the long lines, and, as it was a beautiful moonlight night, it made a panorama that could hardly be excelled anywhere.

Moncton should have the Chautauqua next year, as it is entirely educational, both their lectures and entertainments along with their splendid music.

Hardware Merchants

apartment and I want one for each room."

There was no chance for an argument. The clerk got down the five traps. "You might get one and leave all the doors of the other rooms open, he ventured, brilliantly, but the bride disdaining his suggestion, looked them over critically and then asked, "Have you any cheese?"

The young man supported himself against the counter. "No ma'am, that's one thing we don't keep in a hardware store."

The young, oh, very young matron viewed him with a haughty air. "Well I am surprised. I certainly thought you'd keep cheese to bait them with. But I'll take the traps, anyway." And she did march out with her nose ascending heavenward, while the clerk said, "Can you beat it?"

The old reliable remedy for rheumatism, neuralgia, sore throat and sprains.

Best Liniment Made

MR. A. E. LAUNDY, EDMONTON, writes: "I fell from a building and received what the doctor, called a very bad sprained ankle, and told me I must not walk on it for three weeks. I got MINARD'S LINIMENT and in six days I was out to work again. I think it the best liniment made."

Minard's Liniment always gives satisfaction. For any ache or pain, it gives instant relief.
