### Slants of Humor

#### ELEMENTAL URGE.

I feel,  
In the uttermost depths of my being,  
The cosmic, elemental urge,  
The cataclysmic force that inspires  
Mankind to world revolt.

And in my individual case  
This force takes form  
In a wild passionate yearn,  
A fixed idea.

It is my soul's desire  
To get the kaiser's crown  
And use it

As a waste basket!  
What I would put in it first  
Is already in it.

#### HONEYMOONS, MAYBE.

"Jupiter has eight moons."  
"Gee whiz! Fancy courting a girl  
under eight of 'em."

#### OHIO HOSPITALITY.

Wanted—A good woman for up-  
stairs work. Can have room with  
husband if desired. Inquire 168 East  
Center street.—Akron, O., Beacon-  
Journal.

#### JOYS OF THE JOB.

Talk about your old men and women  
gossips, but give us a sweet 16-year-  
old girl every time for news. She  
knows everything that has happened,  
everything that is going to happen  
and can forecast the distant future  
pretty accurately. Added to that she  
is willing, even anxious, to tell it all.

#### TRIBUTE TO FEBRUARY.

(New York Sun.)

I never was so  
Glad to see you  
(Or in fact any other  
Month) before as I  
Was this time. True,  
You have added  
To my age;  
The rent will be due  
Sooner; the gas  
Bill and the coal account  
And the income tax return  
Are in the  
Offing; and all the other  
Bills will come in  
Quicker. Moreover, you  
Are likely to  
Be grand, gloomy,  
Peculiar.  
And provided with a  
Superabundance of  
Weather. But over and  
Against all  
These, overwhelming  
All other considerations  
To such an extent  
That they are measurably  
Annihilated, is the fact  
That you have put  
The kibosh  
On January.

### BIG OUTPUT OF ALBERTA MINES

Steering, of the mines branch of the

in operation.

### No Dipping, No Scrubbing

WHEN YOU USE SANI-FLUSH REGULARLY.

Just sprinkle a little in the bowl each morning and a hitherto odious task is made easy. The result is a clean, white, sanitary closet. SANI-FLUSH is patented, nothing else like it. It's meant to clean toilet bowls and it does it thoroughly. Should be used in residences, stores, business offices, hotels, factories and wherever closets are installed.

It does not injure the plumbing.
