FOOD BOARD FOR CANADA IS NOW ON THE PROGRAM

Office of Food Controller has been Abolished---New Board Will Consist of Three Members all From the West---Greater Production Movement to Receive Attention---Boys to be Mobilized.

Ottawa, Feb. 10. — Under an order-in-council passed on Saturday, the office of food controller is abolished and the functions formerly exercised by that official, greatly enlarged, will now be assumed by a new organization to be known as the Canada Food Board.

The board will consist of three members — H. B. Thomson, who succeeded Hon. W. J. Hanna as food controller; Hon. C. A. Dunning, provincial treasurer of Saskatchewan, and J. D. McGregor of Manitoba. Mr. Thomson is to be chairman of the board. Mr. Dunning, who it will be recalled, recently came to Ottawa to organize the greater production campaign, will devote himself to the problem of production. He will work in close co-operation with the provincial governments and will co-ordinate federal and provincial organizations to be employed in the greater production movement. Mr. McGregor will address himself to the important task of providing the agricultural labor necessary to make the greater production campaign a success.

The Canada food board will thus bring under a single executive the work of dealing with the food problem in all its bearings. It will, it is believed, effect a co-ordination of effort and a concentration of energy from which far-reaching results are anticipated.

Farm Labor.

A question that will receive immediate attention is that of mobilizing of the farm labor of Canada. Steps have already been taken by the food controller to reach labor in towns and cities and make it available for the farm. Arrangements have been made for the mobilization of 25,000 boys. This force will be carefully selected, having regard to the suitability of the boys for farm work. If, after this army of useful workers has been obtained more are found to be available another appeal may be made for volunteers for similar service.

The Licensing System.

With the creation of the Canada food board it is expected that the system of licensing will be enlarged and put into form as quickly as possible.

NOTICE TO TAXPAYERS

Taxpayers will please take notice that in order to have a vote at the coming election all taxes must be paid on or before Wednesday, February 20th.

G. R. PERKINS,
City Treasurer.

Hon. C. A. Dunning is well known throughout the west. He is an authority on farm questions and has held responsible positions in organizations devoted to farm affairs. He has been prominently identified with the Saskatchewan Grain Growers' Association, was director in 1910 and vice president in 1911 and 1914. He was also associated for a number of years with the co-operative elevator company and was a member of the Canadian council of agriculture from 1911 to 1916. Mr. Dunning was appointed provincial treasurer in October, 1917.

J. D. McGregor has carried on extensive farming operations in the west and is well known as a successful breeder of thoroughbred cattle. He has been closely identified with the work of Canadian stockbreeders' associations. Some time ago he was appointed Manitoba representative of the Canadian food controller, which position he still holds. Mr. McGregor has been deeply interested in the question of production and was instrumental in initiating the hog production campaign.

REV. DAGGETT ACCEPTS A CALL TO MARYSVILLE

TO BE PASTOR OF MAIN
STREET BAPTIST CHURCH

Albert Stafford Met With Accident—Little Interest Yet in Town Elections—Personal.

Marysville, Feb. 11. — Rev. J. B. Daggett announced to the members of the Main Street Baptist church at yesterday morning's service that he had decided to accept the position as pastor of that church in response to the invitation extended to him a few weeks ago. He will enter upon his new duties probably about the first of March. He has acted as supply at this church for the past several weeks and has created a most favorable impression as an eloquent and instructive speaker and an energetic church worker.

Mr. J. Curtis Collings of Moncton, and formerly of this place, is visiting relatives and friends here.

Fatal Accident.

Albert Stafford, son of Coun. and Mrs. Jesse Stafford, suffered a very painful accident at his home Saturday morning. In some manner a needle became lodged in one of his feet, and it was found necessary to remove him to the Victoria Hospital where, after an X-ray examination an operation was performed. It was found necessary to take several stitches in the wound. The young man is now resting quite comfortably.

The monthly roll-off takes place at the Dawson Club alleys this evening. Messrs. John Fletcher and William Everett of Minto, spent the week-end with relatives here, returning to Minto this morning.

Mr. Joseph Dolphin has returned from a business trip to Montreal. Mr. and Mrs. J. Harold Pope have returned from a visit to Montreal and Toronto.

Town Elections.

Although the annual civic elections will take place at an early date there does not appear to be much interest evinced in the selection of probable candidates. It is known that several members of the present board will not offer for re-election. Mayor Gilbert will not offer as a candidate for another term, and several councillors have signified their intention of retiring from civic affairs at the end of the present year. The names of a present councillor and one of the representatives of the town in the County Council have been prominently mentioned in connection with the mayoralty honors.

Mr. J. B. Legere of Richibucto, arrived in the city Saturday night.

Mr. F. E. Holman of St. John, is at the Queen.

Mr. E. B. Seely of St. John, is in the city.

Mr. J. C. Berrie of St. John, is at the Barker House.
