MUNICIPAL COUNCIL

(Continued from page 1.)

get a report from Mr. Carten and give it to the council. He understood that a few of the men had returned.

Coun. Smith said he would let his motion stand.

On the motion of Coun. Fox seconded by Coun. Inch a vote of thanks was extended to Mr. FitzRandolph.

Justice Committee.

Warden Brewer appointed the following on the Administration of Justice Committee: Councillors D. E. Pickard, Everett, Dougan, T. W. Brewer, Inch, Anderson, Seymour.

Check for Hospital.

The warden announced that the customary Warden's Dinner would be dispensed with and that he would give a check for one hundred dollars to the Victoria Public Hospital instead of entertaining the councillors. The announcement was received with applause.

Rule of Road.

Coun. T. W. Brewer brought up the matter of the proposed change in the "rule of the road" to make it proper to keep to the left. He was strongly in favor of changing the rule. Motor cars from Maine keep to the right and accidents frequently resulted. He gave instances of accidents. He moved a resolution that it was the opinion of the council that the rule of road be changed. Coun. Grant seconded the motion.

Coun. Pond opposed the suggested change. It would mean that every single sleigh would have to be shifted.

Coun. Smith thought that a change would produce more accidents as the habits of a lifetime could not be changed in a minute. Let the others change to the New Brunswick rule.

Coun. Fox thought that it could hardly be expected to make the other provinces change to New Brunswick's way.

Coun. White and Coun. Inch favored changing the rule.

Coun. Everett stated that the Automobile Association had better change its own rule. It appeared to be to keep to the middle of the road.

Coun. Allen said he had noticed one councillor had said only one other province turned to the left. He supposed that meant Quebec. It always was wrong. (Laughter.)

The resolution was passed.

On the motion of Coun. Pat Graham the usual grant of five hundred dollars for Victoria Hospital was voted. The council then adjourned.

JANE COWL

POPULAR BROADWAY EMOTIONAL ACTRESS IN

"The Spreading Dawn"

Assisted by ORME CALDARA, Leading Man in Miss Cowl's Two Marvelous Stage Successes, "Within the Law" and "Common Clay."

"The Spreading Dawn"

is a decided novelty, being the visualization of a diary kept by a society belle of the Civil War period, each page she wrote being shown and then brought to life in an action tense with thrills and surprises. There are a large number of spectacular elements in the play, the greatest being the burning of an entire theatre filled with people, and the sensational rescue of the heroine from the flames.

"THE SPREADING DAWN" is a play that runs across the borderland into the World of Shadows covering a period of sixty years.
