## THE EARL MET OLD FRIEND IN MONTREAL

THE EARL

(Montreal Gazette, March 4.)

The Earl of Ashburnham, now on a visit to the capital, made a call on Mr. James Pennington at the internment operations office, on Thursday afternoon. Some of the members of the latter's family acted in official capacities in the last century to the Ashburnham estates in Suffolk and Sussex counties in England. While in conversation, Mr. Pennington amused the earl by repeating a conundrum composed by his father on the word Ashburnham.

The tree in the forest next to the oak,  
The doom of the world at its final stroke,

A part of the swine the Jews may not eat,  
Will give you the name of a nobleman's seat.

The housewife is co-operating with the food administration in using more corn for cooking than she ever did before. She has been told that wheat is the best cereal food for transportation abroad, to feed our Allies and our own soldiers in France, so this loyal housewife makes corn bread, corn muffins, corn cakes and slips always more and more corn into the rations of her household.

Before the war corn was the cheap food. The fact that the price of corn meal crept higher and higher till it

## GOT WET FEET TOOK AWFUL COLD Could Not Sleep for Cough.

A bad cold accompanied by a distressing cough that keeps you awake at night is most aggravating, and unless it is attended to at once may develop into something very serious.

Dr. Wood's Norway Pine Syrup is the remedy you should take. It heals the mucous surfaces, relieves oppression and tightness of the chest, removes the accumulation of phlegm, quiets the most obstinate and distressing coughs, and secures rest and sleep at night, not only to the sufferer, but to others whose rest would otherwise be broken.

Mrs. Ezekiel Acker, Lake Pleasant, N. S., writes: "I got wet feet and took an awful cold; could not sleep at night, and would do nothing but cough. My husband got me a bottle of medicine, but it was not worth bringing home. I was going to call the doctor in when a friend asked me to try Dr. Wood's Norway Pine Syrup. I told her I had not faith in it, but she urged me to get a bottle. I did, and I must say that of all medicine I ever took, it is the best, and relieved me the quickest of anything I ever saw."

"Dr. Wood's" is put up in a yellow wrapper; three pine trees the trade mark; price 25c and 50c; manufactured only by The T. Milburn Co. Limited, Toronto, Ont.

made wheat flour cheap by comparison was one of the surprises to the housewife, who is counted on to achieve the victory expressed by the slogan "Food will win the war!"

What is true of corn is true of other substitutes for flour. It should be the earnest effort of the food administration to prevent patriotic housewives from being penalized for their efforts to conserve wheat. Good nutritious substitutes should be kept at least as cheap as foodstuffs that the public is required to conserve.
