SOLDIERS LEARN  
ART OF MAKING  
FALSE TEETH

Mechanical Phase of Dentistry  
New Course Provided for  
Disabled Soldiers by  
the M. M. C.

Dental mechanics is one of the little known trades in which returned men are manifesting an interest when they return to Canada incapacitated for their former occupations. The vocational training of the Military Hospitals Commission have been called upon to make provision for it in their re-education courses.

The work requires mechanical skill and a fine eye for detail and holds, through its demands for fine work and ingenuity, an unusual interest for the able man who has been incapacitated for heavier work.

In France a school of dental mechanics has been established for disabled soldiers by Dr. Quintero of Lyons, and a large class of veterans is under instruction, but the Military Hospitals Commission has made arrangements for Canadian men to take the work in established schools here. The work pays well and a skillful man can become an efficient workman in eight months.

The course has been granted to several soldiers, one a Montreal man who before he enlisted was a very successful salesman, drawing a good salary. He suffers now from an injured hip, and cannot walk without pain. He must have work at which he can sit.

Inquiry into his past showed that his father had been an inventor and that he, too, inherited a certain ingenuity with mechanical things. He had demonstrated this in helping the dental officer on active service, and so an eight months' course was granted him by the government. His progress in the first month gives promise of great success. (7)

GEMS OF POETRY  
\*\*\*\*\*  
"HOCH DER KAISER!"

Rear Admiral Coughlan of the United States navy, will be chiefly remembered because he recited "Hoch der Kaiser!" at a dinner at the Union League Club several years ago, and almost created international complications by so doing. The verses are as follows:

Der Kaiser von das Faderland  
Und Gott und I all dings command;  
Ve two—ach! Don't you understand?  
Meinself—and Gott!

Vile some men sing der bower divine,  
Mein soldiers sing "Die Wacht" am Rhein,  
Und drink der health in Rhenish wine  
Of me—and Gott!

Dere's France, she swaggers all aroundt,  
She's ausgespielt—she's no agroundt,  
To much we think she don't amountt,  
Meinself—and Gott!

She vill not dare to fight again;  
But if she shouldt, I'll show her blain  
Dot Elsass und (in French) Lorraine  
Are min—by Gott!

Dere's Grandma dinks she's nicht schmall beer,  
Midt Boers and such she interfere;  
She'll learn none owns dis hemisphere  
But me—and Gott!

She dinks, good frau, from ship's she's got  
Und soldiers mit der scarlet coat,  
Ach! Ve could knock dem, Pouf! like dot,  
Meinself—midt Gott!

In dimes of peace brebare for wars,  
I bear der helm and spear of Mars,  
Und care not for den thousand Czars,  
Meinself—midt Gott!

In fact, I humor efry whim,  
Mit aspect dark and visage grim;  
Gott pulls mit Me and I mit Him,  
Meinself—and Gott!

GETTING AFTER  
THE EVADERS

Montreal, Jan. 4.—The authorities here had to deal with a number of cases of desertion under the Military Service Act today. Two hundred and nineteen men called up in the first draft failed to report. It is said that probably a number of these may have already enrolled, instead of waiting until called. A number of men, however, are thought to be trying to evade service. Of the number missing 34 are English and 135 French.

CHILDREN HAD  
WHOOPIING COUGH

Whooping cough, although pecially a disease of childhood, is by no means confined to that period, but may occur at any time of life. It is one of the most dangerous diseases of infancy, and yearly causes more deaths than scarlet fever, typhoid or diphtheria, and is more common in female than male children.

Whooping cough starts with sneezing, watering of the eyes, irritation of the throat, feverishness and cough. The coughing attacks occur frequently, but are generally more severe at night.

On the first sign of a "whoop" Dr. Wood's Norway Pine Syrup should be bronchial tubes of the collected mucus and phlegm.

Mrs. George Cooper, Bloomfield, Ont., writes: "It is with pleasure I can write and tell you that there never was a better cough medicine made than Dr. Wood's Norway Pine Syrup. Our children had whooping cough last winter, and that is the only thing that seemed to help them. It loosens up the phlegm so that they could raise it easily. I will never be without it."

"Dr. Wood's" is 25c and 50c a bottle; put up in a yellow wrapper; three pine trees the trade mark; manufactured by The T. Milburn Co., Limited, Toronto, Ont.
