Lemons Beautify!

Strain lemon juice well before mixing and massage face, neck, arms, hands.

What girl or woman hasn't heard What girl or woman hasn't heard of lemon juice to remove complexion blemishes; to bleach the skin and to bring out the roses, the freshness and the hidden beauty? But lemon juice alone is acid, therefore irritating, and should be mixed with orchard white this way. Strain through a fine cloth the juice of two fresh lemons into a bottle containing about three ounces of orchard white, then shake well and bottle containing about three ounces of orchard white, then shake well and you have a whole quarter pint of skin and complextion lotion at about the cost one usually pays for a small jar of ordinary cold cream. Be sure to strain the lemon juice so no pulp gets into the bottle, then this lotion will remain pure and fresh for months. When applied daily to the face, neck, arms and hands it should help to bleach, clear, smoothen and beautify the skin. the skin.

WHY SHE LEFT

Mrs. Hiram Daly-So you left your last place because the master of the house tried to kiss you. You were quite right to resent such familiarity. Applicant-Oh, I didn't care particalarly, but the mistress was awfully fussy about such things.

Nut Sandwich Bread.

With the picnic season here and meat sandwiches a luxury almost forgotten, the good housewife will find a nutbread the best substitute for departed ham and beef. Spread with a bit of jam, cottage cheese, or plain butter, it's a treat at any picnic.
