

## CONVALESCENT HEROES TO WEAR BLUE ARM BANDS

**Patients of Military Convalescent Hospitals to be Issued a Special Badge of Honor.**

The "Blue Badge of Honor" familiar to everyone in England as the mark of a man suffering from disabilities incurred in his country's service, will appear in Canada shortly when the 11,938 men on the strength of the Military Hospitals Commission Command will be issued blue arm bands.

The blue band will distinguish the man who has done his bit from the men of the new reinforcement units, and will be worn by all soldiers who are patients of the military convalescent hospitals in Canada.

Of the 11,938 men who are eligible for this honor today, 9,336 are patients enrolled for treatment in the convalescent hospitals, 368 are patients in sanatoria, and 734 patients in various hospitals.

With the opening of 1917 there were only 2,620 men on the strength of the command, but as the transports have been taking the newly enlisted troops across, the hospital ships have been bringing the invalids back, and the increase in the population of the convalescent hospitals has been quite steady.

It has now become advisable here, as in England, to issue to the men who are patients in the hospitals and at present disqualified for further ser-

## A SLUGGISH LIVER CAUSES LOTS OF TROUBLE

When the liver becomes sluggish it is an indication that the bowels are not working roerly and if they do not move regularly many complications are liable to set in.

The symptoms are a feeling of fullness or weight in the right side, and shooting pains in the same region, pains between the shoulders, yellowness of the skin and eyes, floating specks before the eyes, coated tongue, bad taste in the morning, heartburn, waterbrash, etc.

Milburn's Laxa-Liver Pills gently unlock the secretions, clear away all effete and waste matter from the system, and give tone and vitality to the whole intestinal track, and are by far the safest and quickest remedy for all diseases or disorders of the liver.

Mrs. A. Cummings, Manchester, Ont., writes: "I have used Milburn's Laxa-Liver Pills some time, and can faithfully recommend them to anyone suffering from heartburn and liver trouble. I tried a great many other remedies, but they only relieved me for a time. I believe Laxa-Liver Pills to be a valuable remedy for all sufferers from liver troubles."

Milburn's Laxa-Liver Pills are 25c. a vial at all dealers, or mailed direct on receipt of price by the T. Mulburn Co., Limited, Toronto, Ont.

vice, some mark which makes them distinguishable from fresh forces.

The "Blue Badge of Honor" will hereafter enable the public to identify the men who have sacrificed so much for their country's cause and who have not as yet recovered sufficiently to be discharged.

## OUTLOOK HAS BRIGHTENED

(Canadian Press direct wire.)

Toronto, Jan. 11. — "Leave me alone; I know what I am doing; I mean to have a good time." This is the answer of some of the Canadian soldiers when appealed to in the streets or in the public houses in London by the women patriots who devote themselves to the special work of saving soldiers from the social

## HOW THE V. C. WAS WON BY A CANADIAN

London, Jan. 12.—Pte. James Peter Robertson, deceased, whose name appears among the list of seven Canadians who have been awarded the Victoria Cross for heroic deeds on the western battlefield, is a native of Pictou, N. S. He enlisted at MacLeod, Alberta. He was an engineer and was 24 years old. When his platoon was held up by uncut wire and a machine gun, Robertson rushed to the opening on the flank, rushed the gun, killed the crew of four after a desperate struggle and turned the gun on the remainder, who, overcome by the fierceness of his assault, were running towards their own lines.

He inflicted many more casualties. Then, carrying the captured gun, he led his platoon to the final objective, where he got his gun into action, firing on the enemy, who were by this time quite demoralized. Later, when two of our snipers were badly wounded, he sent out and carried one in under fire. Robertson was killed as he was returning with the second man.

world, according to a report from Alexander Coote of the British Vigilance Association, which was presented at the annual meeting of the social service council of Canada, held yesterday. "The Canadian officials of every rank," said Mr. Coote, "are doing their utmost for the welfare of their men with encouraging results."

The committee on purity and the franchise made the following recommendations which were adopted: Requiring the publication of election funds and expenses in the federal as well as provincial spheres.

To make it a crime for any person to give or receive a bribe on the terms of the criminal code.

The appointment of a public prosecutor as responsible to parliament.

## THE ONLY MEDICINE THE BABY NEEDS

Baby's Own Tablets is the only medicine a mother needs for her little ones. They are a gentle but thorough laxative which instantly relieve all stomach and bowel disorders thus banishing all the minor ills of little ones. Concerning them Mrs. Jos. Levesque, St. Simon, Que., says:—"Baby's Own Tablets are a marvelous medicine for little ones. They never fail to cure stomach and bowel troubles and neither my sister-in-law nor myself would use any other medicine for our little ones." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Women in the employ of the Northern Pacific Railroad Company work ten hours a day, but receive time and a half for the last hour.

Will be sent to any address in

New Brunswick, from now

until Jan. 1st 1919

for

**Two Dollars**

Payable in advance

## Get Behind the Wheel of a Ford and Drive

TRY it just once! Ask your friend to let you "pilot" his car on an open stretch. You'll like it, and will be surprised how easily the Ford is handled and driven.

If you have never felt the thrill of driving your own car, there is something good in store for you. It is vastly different from just riding—being a passenger. And especially so if you drive a Ford.

Young boys, girls, women and even grandfathers—thousands of them—are driving Ford cars and enjoying it. A Ford stops and starts in traffic with exceptional ease and smoothness, while on country roads and hills its strength and power show to advantage.

Buy a Ford and you will want to be behind "the wheel" constantly.
