

TORTURE OF SCIATICA CURED QUICK! "NERVILINE" A SUCCESS EVERY TIME

**Stops the Pain Quick—Acts
Like Magic—Is Harmless
and Pleasant.**

Sciatica is the most severe pain man can suffer. The great sciatic nerve is deeply placed and you can reach it only by a pain remedy as penetrating and powerful as NERVILINE.

The glory of Nerviline is in its strength—in its marvellous power of penetrating deeply. In severe pains, such as sciatica and neuralgia, NERVILINE demonstrates its superiority over every other remedy.

Extraordinary pains, such as rheumatism or sciatica, can be overcome only by a remedy as extraordinary as

Nerviline. In many lands it has shown itself to be the best for little pains, best for big pains, and best for all pains.

When one has acute rheumatic pains, stiff joints as a stiff neck, don't experiment—seek a remedy that cures. Like lightning in its rapidity, as sure as fate in its certainty of relief, Nerviline can never be surpassed for the removal of pain, no matter what advance science may make. It is perfection in its line. Do not trifle with ordinary or oily liniments, use Nerviline. Prove its efficacy—it's the one liniment that rubs right into the core of the pain.

A large 25 cent bottle will cure the aches and pains of the whole family. Sold by all dealers everywhere, or The Catarthozone Co., Kingston, Canada.

JERICHO POPULARLY KNOWN AS "THE SINK OF THE EARTH"

CHILDREN HAD WHOOPIING COUGH

Whooping cough, although peculiarly a disease of childhood, is by no means confined to that period, but may occur at any time of life. It is one of the most dangerous diseases of infancy, and yearly causes more deaths than scarlet fever, typhoid or diphtheria, and is more common in female than male children.

Whooping cough starts with sneezing, watering of the eyes, irritation of the throat, feverishness and cough. The coughing attacks occur frequently, but are generally more severe at night.

On the first sign of a "whoop" Dr. Wood's Norway Pine Syrup should be bronchial tubes of the collected mucus and phlegm.

Mrs. George Cooper, Bloomfield, Ont., writes: "It is with pleasure I can write and tell you that there never was a better cough medicine made than Dr. Wood's Norway Pine Syrup. Our children had whooping cough last winter, and that is the only thing that seemed to help them. It loosens up the phlegm so that they could raise it easily. I will never be without it."

"Dr. Wood's" is 25c and 50c a bottle; put up in a yellow wrapper; three pine trees the trade mark; manufactured by The T. Milburn Co., Limited, Toronto, Ont.

TROUBLED WITH CONSTIPATION HEART AND NERVE From 16 to 20.

Constipation is one of the commonest ills of mankind, and one too often allowed to go unlooked after until some serious complication sets in.

If the bowels are properly looked after there will be no constipation, jaundice, sick or bilious headaches, heartburn, coated tongue, sour stomach, floating specks before the eyes, etc.

Milburn's Laxa-Liver Pills will keep your bowels so regulated that in no time the constipation will disappear. Miss Emma E. Melanson, Halifax, N. S., writes: "I am now 20 years of age and since I was 16 I have been greatly troubled with constipation, so much so that at times I would be in bed three or four days a month. I tried all the old-fashioned remedies, castor oil, cascara, etc., with only temporary relief until my sister-in-law gave me some of Milburn's Laxa-Liver Pills. From the first they seemed beneficial and I gave them a fair trial. This was two years ago, and with an occasional dose I have kept entirely free from constipation for the period mentioned."

Milburn's Laxa-Liver Pills are 25c. a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
